Management Communication James S. O'Rourke, 2023-03-30 This new edition of Management Communication is a case based textbook that introduces students to the strategic communication methods that are crucial to master in order for them to develop into effective and ethical managers at all levels of business Effective communication skills are necessary for success in the business world and James O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process This seventh edition includes both classic and new features The strategic approach is integrated throughout the book allowing students to understand how a communicated message affects the business as a whole New case studies provide students with hands on experience of scenarios they will encounter in the real world looking at global companies such as Facebook and Nike Further updates include new content on technology corporate culture and disinformation An ethical thread is woven through the text demonstrating how ethical decision making can be applied in all

aspects of communication Chapters on intercultural communication nonverbal communication and conflict management provide students with the skills to build relationships and influence stakeholders key skills for any manager This text will provide students with a well rounded understanding of management communication and the support material ensures it serves as a complete resource for instructors

The Other Kind of Funnies Han Yu,2016-12-14 The Other Kind of Funnies refutes the mainstream American cultural assumption that comics have little to do with technical communication that the former are entertaining in a low brow sense and juvenile whereas the latter is practical and serious to the point of stuffiness The first of its kind this book demonstrates the exciting possibilities of using comics in technical communication It defines comics as a medium and art form that includes cartoons comic strips comic books and graphic novels provides conceptual and historical backgrounds on comics and discusses the appeals and challenges of using comics style technical communication More specifically it examines comics style instructions educational materials health risk communication and political propaganda communication The author argues that comics style technical communication encourages reader participation produces covert persuasion facilitates intercultural communication benefits underprivileged audiences such as children and readers of lower literacy and challenges the positivist view of technical communication An abundance of comics style technical communication examples carefully selected from across cultures and times demonstrates the argument While the book proposes that comics can create user friendly visually oriented engaging and socially responsible technical communication it is also quick to acknowledge the limitations and challenges of comics style technical communication and provides heuristics on how to cope with them The Other Kind of Funnies is unique in its interdisciplinary approach It focuses on technical communication but speaks to design cultural and intercultural studies historical studies and to some extent education politics and art

English for Business Communication Mable Chan,2020-01-06 This textbook provides a comprehensive introduction for students and professionals who are studying English for business or workplace communication and covers both spoken and written English Based on up to date research in business communication and incorporating an international range of real world authentic texts this book deals with the realities of communication in business today Key features of this book include use of English in social media that reflects recent trends in business communication coverage of the concept of communicative competence analysis of email communication introduction to informal English and English for socialisation as well as goodwill messages such as thank you or appreciation messages which are a part of everyday interaction in the workplace examination of persuasive messages and ways to understand such messages an e resources website that includes authentic examples of different workplace genres and a reference section covering relevant research studies and weblinks for readers to better understand the topics covered in each chapter This book goes beyond the traditional coverage of business English to provide a broad and practical textbook for those studying English in a workplace setting

Managerial Communication Jennifer R. Veltsos,Geraldine E. Hynes,2024-08-22 Managerial

Communication focuses on communication skills and strategies that managers need to be successful in today's workplace.
