Writings @ Ankur Mutreja Ankur Mutreja, This book presents my views on various issues ranging from contemporary events to personal philosophy This book is in fact a consolidation of my views concretized on my blogs over years and is divided into four sections Satire Reviews Opinions and Philosophy I would recommend you to check out the section entitled Satire first and then move onto the Reviews section as a natural transition from ultra light to light where I have reviewed Travel Locales Books Movies Philosophy do read it if you liked my other writings **Anti-National Humanist** Ankur Mutreja,2018-08-06 In this essay the author is trying to answer the question is there a political possibility of existence of a humanist as an anti national humanist Being a humanist the author has high respect for human dignity which he finds getting compromised in the nationalist violence He wonders if it is possible for humanists like doctors to not become the externalities of nationalism labeling the blood in saffron green red black and white He elaborates on the strategies of nationalists the attributes of anti national humanist existence and the lessons from the past to make out his case Whether he has succeeded or not is for the readers to decide *Kerala Hugged* Ankur Mutreja,2016-11-13 In a borderless world all would be travelers indeed India is a small borderless world in itself and Kerala lies at the southernmost tip I live almost near the lovely Kashmir but does that make Kerala any less lovely This book is indeed author s baby born out of his love of nature Writing books is the closest men ever came to having children Norman Mailer Kerala is beautiful not only because of God but also because of the people who have made Kerala their home The author went there as a parasite in the disguise of a tourist and sucked all he could in a short span of 23 days But did anybody ever complain No never The Keralans believe the joy multiplies by sharing and hereby the author emulate them The book is divided into four chapters concentrated on four famous locations in Kerala Munnar Kochi Alleppey and Varkala The author s experience in Munnar has been presented as a love story albeit with nature Kochi is where the author enlivened and discovered himself as a younger person and the experience is shared in a canvas of activities involving art history luxury people and sports Alleppey is known for its backwater cruises however the author experienced it as an intriguing world so very different and exciting climaxing into a thrilling snake boat race experience Varkala is a place to relax so did the author but a bit differently and the difference is author s unique experience shared with the readers **Nine Poems (Volume 3)** Ankur Mutreja,2019-12-26 Nine Poems has already gained acceptance through its first two volumes This is the third and the last volume of the series The volume contains nine pieces seven out of which were created in a span of three days one piece on the first day two pieces on the second day and four pieces on the third day Indeed the author went through a poem writing streak the last piece in this volume is not a poem but since it was written during the streak period in the same mindset it has been included here In The author knows it is not possible to continue with this exponential growth so he is not applying Moore s Law to his poem writing skills But the poem writing streak can and will happen again In what form the new poems will get published is not known to the author For now enjoy the poems in this

volume which are in no way connected to each other except that they have originated in the same mind A few favourite poems of the same mind which were published in volumes 1 and 2 have been republished in this volume because the author can't stop loving them You can ignore them if you wish but if the author couldn't would you *Nine Poems (Volume 1)* Ankur Mutreja, 2015-11-22 Complex are the ways of life Difficult it is to describe them in Black Words are few And those who know them are far and few Life is a book of poems And this is mine Beautiful or ugly you determine **Sparks** Ankur Mutreja, This book is an alternative representation of my thoughts which have been presented more comprehensively in another of my books Writings Ankur Mutreja I felt the need to publish this book separately to cater to the needs of those readers who don't have much time to read books The book is indeed a light reading The book starts with the chapter entitled Satire which as the name suggests comprises pointed attacks on the societal idiosyncrasies and hypocrisies albeit mockingly In the following chapter on Travel Locales I have reviewed four disparate locations in India attractive for their own unique appeals Puducherry Shillong Auroville and Agartala Next is the chapter on Movie Reviews therefore if I have written a negative review the movie must be really pathetic Love Sex and Dhoka Other movies reviewed Satyagraha Raanjhana Table No 21 OMG Mod Udaan and Welcome to Sajjanpur Other than that I have also reviewed a website Flattr.com and an architectural structure Antilla the Residence of Ambanis in this chapter Finally the chapter on Book Reviews comprises my reviews of three books Bhagwat Gita Swaraj by Arvind Kejriwal and An Ordinary Person's Guide to Empire by Arundhati Roy This is a non professional endeavor therefore you may be able to download it either free or for a small price and the royalties if any accumulating where from will go in charity Enjoy Reading Ankur Mutreja *Flare* Ankur Mutreja, Opinions are like flare which can turn either way they can spread like wild fire or encapsulate themselves within the bounds of personal integrity and thus illuminate I started writing opinions in the late 2008 through my blogs I admit at times I did go wild with unsubstantiated accusations and surmises leading to risky speculations and irresponsible opinions Recently I published a comprehensive book of my writings entitled Writings Ankur Mutreja and the present book is a short selection of my opinions presented therein with emphasis on responsible writing I am an advocate by profession therefore most of my opinions have a tint of law in the first part the expression is simple so it is for lay persons who won't mind a little exercise of mind in the legal arena whereas in the second part I have gone whole hog with law and I admit those without formal legal training may find it convenient to ignore My style of writing is terse and pointed but at times I have gone overboard like in one particular opinion on Aarushi murder where emotions and logic intermingled in an expanded narrative Rights especially privacy and equality are my area of focus therefore most of my opinions herein i.e. the ones discussing Brain Research NCTC Sting Operations LGBTs Prostitution SC ST quotas and AADHAR NPR are focused on these two areas In my selection I have tried steering clear of politics but politics is nevertheless all encompassing however one opinion on tussle between Delhi Police and AAP is majorly political another political opinion but with a strong emphasis on law is the discussion of Zakia Jaffrey case There

were few very big events in the recent past one amongst them is the Nirbhaya murder and I have also discussed it though my take is slightly different I think the murder has been manipulated by the vested interests I am a resident of an unauthorized colony therefore my opinion on Unauthorized Colonies has found place in the present selection though I admit had the case been different I wouldn't have included it so please bear with my little bias Though I have no expertise in international affairs I have taken a plunge into it albeit within the ambit of my legal training the topics discussed are Indo Pak relationship and Julian Assange Finally in the second part I have discussed various judgments and laws I would recommend anybody to read at least my critique of Aarushi Judgement Other than that I have critiqued Binayak Sen Judgement and Aruna Shaunbaug Judgement In the second part I have also critiqued RTI Act and Amendments in IPC post Nirbhaya murder This is a non professional endeavor therefore you may be able to download it either free or for a small price and the royalties if any accumulating where from will go in charity Enjoy Reading Ankur Mutreja

Light Ankur Mutreja, What is Philosophy Is it the exclusive domain of those who dream in abstract Or is it the manifestation of the struggle of those who practice in material Does it originate in the minds of professors like a Ganges flowing out from the hair locks of Lord Shiva Or is it rustic and puerile evolving into maturity through the experiences of common men I started writing philosophy without actually knowing that I was writing one To start with it was an outlet to project my frustration in the form of writings Pretty often it carried abuses hurled at none in particular but at the system through its agents But I don't know when those ramblings started getting matured into Philosophy and all puerility and abuses purified themselves on the way a Ganges doesn't become pure by its origin but by the treatment people give to it on its way In my book Writings Ankur Mutreja I included a section on my personal philosophy and thought nobody would be interested in reading it But fortunately I have found some kind hearted people who have given me their valuable feedback I am reproducing my philosophy below by selecting those topics which have received positive feedback albeit without prejudice to the philosophy presented by me in Writings Ankur Mutreja The book is divided into three chapters First chapter which I have christened as Philosophy General starts with my principles on Privacy There is no comprehensive law on privacy in India therefore there are no established privacy principles either I formulated certain principles for self help which seem to have found resonance with many therefore they are reproduced in the book The other topics included in the chapter are New Age Journalism Terrorism Internet Jurisprudence and Globalization I was pleasantly surprised to find that my philosophical ideas on politics have found audience I am a completely non political person in the sense I am not attached to any political party however I do have a liberal perspective on politics In the second chapter i.e. Philosophy Politics I have discussed varied topics like Lokpal Elections Violence Capitalism Anarchism Cash Transfers Maoists and Gandhism with a liberal perspective Finally in a chapter entitled Philosophy Relationships I have plunged into a controversial arena of man woman relationship Though I claim to be discussing philosophy of man woman relationship but I think I am at best representing men unless I get substantial endorsement from women which unfortunately

I haven't got till now Topics covered Marriage Love Girlfriend etc This is a non professional endeavor therefore you may be able to download it either free or for a small price and the royalties if any accumulating where from will go in charity Enjoy Reading Ankur Mutreja Claims on Privacy Ankur Mutreja,2018-01-01 The Claims on Privacy is an essay justifying the categorization of privacy as a generic natural right like the right to life and liberty An inextricable link has been drawn between dignity and privacy in the essay through the life story of a fictional character XYZ as no contour can really be drawn to an abstract right in a system which can't be tailor made Various articles published by the author on his blog privacy ankurmutreja.com have also been added as appendices The author is a lawyer and a privacy exponent This essay is his sincere attempt to educate himself about privacy which is a right less understood He makes no claims to educate others Even if the readers get entertained the author would accept it gracefully as an accidental gain The Vaccine Book Barry R. Bloom,Paul-Henri Lambert,2016-06-23 The Vaccine Book Second Edition provides comprehensive information on the current and future state of vaccines It reveals the scientific opportunities and potential impact of vaccines including economic and ethical challenges problems encountered when producing vaccines how clinical vaccine trials are designed and how to introduce vaccines into widespread use Although vaccines are now available for many diseases there are still challenges ahead for major diseases such as AIDS tuberculosis and malaria This book is designed for students researchers public health officials and all others interested in increasing their understanding of vaccines It answers common questions regarding the use of vaccines in the context of a rapidly expanding anti vaccine environment This new edition is completely updated and revised with new and unique topics including new vaccines problems of declining immunization rates trust in vaccines the vaccine hesitancy and the social value of vaccines for the community vs the individual child's risk Provides insights into diseases that could be prevented along with the challenges facing research scientists in the world of vaccines Gives new ideas about future vaccines and concepts Introduces new vaccines and concepts Gives ideas about challenges facing public and private industrial investors in the vaccine area Discusses the problem of declining immunization rates and vaccine hesitancy Annapurna Circuit Trek Ankur Mutreja,2019-09-09 Annapurna Circuit Trek Fairy Tale of Love with Nature is a compilation of author's unforgettable memories of his unconsummated love affair with nature You can call it a travelogue but it's more than that A traveller visits a place and returns but the author has not yet returned Though his body has pulled his mind towards Delhi but the memories well crystallized inside the mind are making it wander even now The author has tried breaking this discordant by penning down his experiences of the trek and loading them on to the readers with a hope that they will carry forward the fairy tale in their love with nature Motivation Magnificent waterfalls towering mountains pleasurable pine forests picturesque lakes meandering rivers streams snow clad peaks slithering pathways wide valleys beautiful villages quivering suspension bridges docile yet petulant yaks shy blue sheep cute kids pretty ladies smiling men bright sunshine dark clouds cold nights enthralling views and everlasting unconditional love Mahatma Gandhi in Cinema

Narendra Kaushik,2020-04-16 This book analyses 100 years of Hindi cinema India s principal film industry to explore how much space it has given to Mahatma Gandhi the most prominent leader of the Indian struggle for freedom and his principles It compares films on Gandhi with the written literature on him and juxtaposes the celluloid Gandhi with the man who walked on the earth ever in flesh and blood From his childhood through his legal practice in South Africa to his non violent struggle against the British Empire in India the book covers all major events of his life and their portrayal on the silver screen
