Defeating Cancer: A Christian Spiritual Warfare Model , Jesus' Radical Message Z.

Holler,2010-01-11 Traditional preaching along with the mainline churches in which it has been most prevalent over the years is losing its appeal for growing numbers of people who are caught up in the dangers and confusion of our fragmented world Many are hungering for a more powerful and challenging message rooted in Jesus Life and teachings seeking clues about how to live faithfully amid the destructive social and personal pressures created by our nation's exploitation of its position of global dominance The sermons in this volume emerge from the conversion story of a Southern white Presbyterian pastor who was transformed by the civil rights struggle and who has chosen to live on the boundary between mainstream and marginalized people Rooted in an understanding that Jesus gospel message is subversive of many of the dominant values and practices of our culture and our world today they are intended to be disturbing sermons But they disturb for the sake of healing and hope always pointing to Jesus good news of the liberating possibility of beloved community inclusive of us all Z Holler's collection of sermons Jesus Radical Message are exegetical models faithful to their texts but highly disturbing He has taken familiar stories of Jesus and let them speak to modern readers as they spoke to the disciples of old threatening their prejudices and challenging their deepest commitments They grow out of Holler's own experience as all good sermons should do are well written and to the point Charles Consar Columbia Theological Seminary I share with my friend and elder Z Holler two deep convictions that the gospels call us to radical discipleship and that the Beloved Community Center of Greensboro is truly carrying on the work and witness of Martin Luther King Z's journey of following Jesus and standing in solidarity with the BCC is remarkable for a white southern preacher of his generation reminiscent of Clarence Jordan and Will Campbell His memoir and sermons testify to the wound of racism and to how gospel faith changes personal and political geographies

Ched Myers Bartimaeus Cooperative Ministers Having been associated with Z Holler on a daily basis for many years I have been impressed by his interest in and compassion for those in our society for whom the social legal and economic systems were a burden instead of offering help and deliverance He worked diligently to understand their life situations and to content those who controlled the systems His vision of justice for all was always clear and his ability to articulate that vision is a

challenge to any one of us who dare preach sermons based on the person and work of Jesus Christ William A Stewart Minister in the Presbyterian Church USA With a heart trained by scripture Z Holler listens to the pain of the oppressed Bearing the particular burden of white Southerners he has painstakingly translated the pain of racial and class injustice into these sermons along with the dangerous memory of Jesus the Radical Messiah and Z s particular rendering of his demanding call to discipleship Fresh and urgent here is a wonderful gift to the discipleship movement inspiration to engage the word in all times and places Revs Murphy Davis and Eduard Loring Open Door Community Atlanta CA Jesus was and is very radical as he proclaimed and gave witness to the in breaking of God s Kingdom Z Holler gives witness to the radical nature of Jesus proclamation in these sermons with the aid of Scripture his own scholarship For a taste and sample read sermon number four Let us Go Across to the Other Side You will want more The sermons are deep and require reflection Share reflection in a group or meditate on one each morning You will be challenged and fed Rt Rev A C Marble Jr Bishop of Mississippi retired 1993 2003 Bishop Assisting Diocese of North Carolina 2004 Z Holler a retired Presbyterian pastor is a co founder of the Beloved Community Center in Greensboro North Carolina He served as co chair for the Greensboro Truth and Community Reconciliation Project

*Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly

draws together historical and theological reasons for believing that Jesus Resurrection happened *Christian Science Sentinel* ,1900 *The Japan Daily Mail* ,1889 **No and Yes** Mary Baker Eddy,1898 **Unity of Good** Mary Baker Eddy,1908 **Continent** ,1916 **Encyclopedia of Religious and Spiritual Development** Elizabeth M.
