Stevenson and L. Osbourne Robert Louis Stevenson,1889 Memoir Of Fleeming Jenkin Robert Louis Stevenson,2014-01-21 Fleeming Jenkin noted for his work in engineering and applied electricity was one of R L S s closest friends in his early days When Jenkin then thirty five became Professor of Engineering in Edinburgh University Stevenson much against all his inclinations was professedly studying to qualify himself for his father s calling The Memoir of Fleeming Jenkin which Stevenson wrote on his friend s death in 1885 was undertaken at Bournemouth with the assistance of Mrs Jenkin It is the only biographical work which Stevenson completed and rather curiously is said to be the book which his wife thought the most successful of his writings **The Wrong Box** Robert Louis Stevenson,Lloyd Osbourne,2016-06-28 The Wrong Box is a black comedy novel co written by Robert Louis Stevenson and Lloyd Osbourne first published in 1889 The story is about two brothers who are the last two surviving members of a tontine The book was the first of three novels that Stevenson co wrote with Osbourne who was his stepson The others were The Wrecker 1892 and The Ebb Tide 1894 Osbourne wrote the first draft of the novel late in 1887 then called The Finsbury Tontine Stevenson revised it in 1888 then called A Game of Bluff and again in 1889 when it was finally called The Wrong Box A film adaptation also titled The Wrong Box was released in 1966 and a musical in 2002

The Dynamiter Robert Louis Stevenson,2014-01-21 The only book of Stevenson s written in collaboration with his wife to whose powers of invention and descriptive writing the greater part of it is due It had its origin at the time of his slow and perilous recovery from the nearly fatal illness at Hyeres in the spring of 1884 Forbidden to speak and under orders to lie in darkness the long hours were relieved by tales which Mrs Stevenson made up for his amusement A few months afterwards when they had settled at Bournemouth where Louis was to live the life of a delicate girl these stories were drawn upon as material for a series planned on the lines of the New Arabian Nights of six years before Though the form is broadly the same a set of interdependent narratives over which the long arm of coincidence was never more widely waved the style is notably different from that of the previous series This is explained by the fact that only the prologue and epilogue and the tale of The Explosive Bomb are Stevenson s own writing All the rest of the book was the invention and the actual writing of Mrs Stevenson her husband s share in it consisting apparently in revisions and touches by which he was able with great facility to impress a large measure of his own style upon his wife s work *The Strange Case Of Dr. Jekyll And Mr. Hyde* Robert Louis Stevenson,2014-01-21 The book which put Stevenson s name in the mouth of the man in the street lifted him at a single bound to a place among men of the time and by the still greater sensation which it created in America led to the large income which soon afterwards he drew from the United States The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man s nature It was hailed from pulpits and in the religious press as a great moral parable though its moral quality on close analysis is seen to be more an illusion due to the art

of its writing than the essence of the fable Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul Such moral force as it has depends upon its assault on the nerves not on its appeal to the heart If not thus interpreted by the preachers of the time it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego indulged in a moment when virtue slumbered coming in the end to destroy the good

Familiar Studies Of Men And Books Robert Louis Stevenson,2014-01-21 Of the nine essays collected in this volume seven had appeared in the Cornhill Magazine The whole set range in date from 1874 to 1881 and thus belong to the period of Stevenson s life during which the papers in *Virginibus Puerisque* were written The familiar studies are Victor Hugo s Romances Some Aspects Of Robert Burns Walt Whitman Henry David Thoreau Yoshido Torajiro Fran ois Villon Charles of Orleans Samuel Pepys and John Knox and Women In arranging them for republication R L S prefaced them by some notes of self criticism in which he is at much pains to show where as he thought he had accorded less than full justice to his subjects

My Best Short Stories Robert Louis Stevenson,2014-01-21 This edition contains the most important and best known short stories that were not included in other prominent collections Included are The Body Snatcher Thrawn Janet Will O the Mill The Treasure of Franchard Markheim The Misadventures of John Nicholson The Story Of A Lie Heathercat The Great North Road The Young Chevalier Fables

Weir Of Hermiston Robert Louis Stevenson,2014-01-21 Mr Henry James speaking of the quarrel between Alan Breck and David Balfour in *Kidnapped* declares that he knows of few better examples of the way genius has ever a surprise in its pocket keeps an ace as it were up its sleeve And in *Weir of Hermiston* we have a surprise of an even higher order from Stevenson s pocket that pocket which during his lifetime seemed like the proverbial small boy s almost inexhaustible stuffed full of a delightfully heterogeneous mass sometimes of jingling trinkets and sometimes of the oddest and rarest treasures It may seem rash to declare a half finished and half revised book the greatest achievement of an author who had so high a passion for finality as Stevenson but many will unhesitatingly declare *Weir of Hermiston* Stevenson s best book

WRONG BOX. R. LOUIS STEVENSON AND LLOYD OSBOURNE,2025 **The Essential Travel Writings** Robert Louis Stevenson,2014-01-21 This edition includes the most important travel writings by the famous author The Silverado Squatters Across The Plains The Amateur Emigrant Cockermouth And Keswick A Fragment An Autumn Effect A Winter s Walk In Carrick And Galloway A Fragment A Mountain Town In France 175 A Fragment Random Memories Rosa Quo Locorum The Ideal House Davos In Winter Health And Mountains Alpine Diversions The Stimulation Of The Alps Roads On The Enjoyment Of Unpleasant Places Footnotes An Inland Voyage Travels With A Donkey In The Cevennes The Merry Men Robert Louis Stevenson,2014-01-21 A story which shows Stevenson s powder of vividly descriptive writing at perhaps its highest level but one which as a story has been variously criticized It was written in the Highlands in 1881 the year after his marriage as one of a series of tales of horror crawlers as he called them planned in collaboration with his wife Aros of the story is the tidal islet of Earraid famous under its own name in *Kidnapped* the Ross of Grisapol is the Ross of Mull and Ben

Ryan Ben More The name of the Merry Men is plainly taken from the Merry Men of Mey as sailors call certain rocks in the dangerous channels of the Pentland Firth In writing what he called a fantastic sonata of the sea and wrecks Stevenson seems to have adopted a more complex and subtle scheme than was commonly his plan of construction which perhaps is the reason why the tale is pronounced good or bad by the critics according to their discernment of its motive The Wrong Box, by Robert Louis Stevenson and Lloyd Osbourne Robert Louis Stevenson, **The Wrong Box** Robert Louis Stevenson, 1916
