To America Personal Reflections Of An Historian:

To America Stephen E. Ambrose, 2002 When Stephen Ambrose became interested in American history at age 18 there was much that America had done that made him proud but there were some things he condemned as well for instance slavery the treatment of Native Americans racist Southern politicians the Robber Barons of the transcontinental railroad the use of the atomic bomb All through his undergraduate and graduate years from 1953 1960 Ambrose learned such ideas from his professors and believed and then taught them himself when he became a teacher of history in 1960 But after reasearching and writing about the Civil War in graduate school Eisenhower in the 60s Crazy Horse and Custer Lewis and Clark Nixon the transcontinental railroad and World War II over the next three decades Ambrose's views on American history changed In his new book the renowned historian celebrates America's spirit and confronts its failures and struggles As always in his much acclaimed work Ambrose brings alive the men and women famous and not who have peopled history and made the United States the superpower it is now

To America Stephen E. Ambrose, 2003 Now in paperback the New York Times bestseller on the history of America and the pioneering men and women who made the nation what it is today

Theoretical Perspectives on Historians' Autobiographies Jaume Aurell, 2015-07-24 E H Carr wrote study the historian before you begin to study the facts This book approaches the life work ideas debates and the context of key 20th and 21st century historians through an analysis of their life writing projects viewed as historiographical sources Merging literary studies on autobiography with theories of history it provides a systematic and detailed analysis of the autobiographies of the most outstanding historians from the classic texts by Giambattista Vico Edward Gibbon and Henry Adams to the Annales historians such as Fernand Braudel Philippe Ariès and Georges Duby to Marxist historians such as Eric Hobsbawm and Annie Kriegel to postmodern historians such as Carolyn Steedman Robert A. Rosenstone Carlos Eire Luisa Passerini Elisabeth Roudinesco Gerda Lerner and Sheila Fitzpatrick and to interventionist historians such as Geoff Eley Jill Ker Conway Natalie Davis and Gabrielle Spiegel Using a comparative approach to these texts this book identifies six historical autobiographical styles humanistic biographic ego historical monographic postmodern and interventionist By privileging historians' autobiographies this book proposes a renewed history of historiography one that engages the theoretical evolution of the discipline the way history has been interpreted by historians and the currents of thought and ideologies that have dominated and influenced its writing in the 20th and 21st centuries

The Fight for the Four Freedoms Harvey J. Kaye, 2014-04-08 The fascinating story of Franklin Roosevelt the Greatest Generation and the freedoms they won is a stirring heady dose of American history by a progressive thinker

Kirkus Reviews On January 6 1941 the Greatest Generation gave voice to its founding principles the Four Freedoms Freedom from want and from fear Freedom of speech and religion In the name of the Four Freedoms they fought the Great Depression In the name of the Four Freedoms they defeated the Axis powers In the process they made the United States the richest and most powerful country on Earth And despite a powerful reactionary opposition the men and women of

the Greatest Generation made America freer more equal and more democratic than ever before Harvey Kaye gives passionate voice to the Greatest Generation and argues not only that the root of their greatness stemmed from their commitment to equality change and progressive politics but why modern generations should follow their lead In Kaye s hands history becomes a call for action Now he retells this generation s full story and reclaims their progressive influence throughout the twentieth century Through the words of civil rights protestors authors and congressmen Kaye argues that the most progressive generation in America history not only stopped Nazi Germany Fascist Italy and Imperial Japan but made America and the world freer more equal and more democratic and that modern generations only honor them by following their lead The Fight for the Four Freedoms will stir its intended audience while illustrating what astute politicians and historians recognize Political struggle is as much a battle over our past as it is over our present and future Cleveland Plain Dealer

Eisenhower Stephen E. Ambrose, 2014-03-18 Stephen E Ambrose draws upon extensive sources and an unprecedented degree of scholarship and numerous interviews with Eisenhower himself to offer the fullest richest most objective rendering yet of the soldier who became president. He gives us a masterly account of the European war theater and Eisenhower's magnificent leadership as Allied Supreme Commander. Ambrose's recounting of Eisenhower's presidency, the first of the Cold War, brings to life a man and a country struggling with issues as diverse as civil rights, atomic weapons, communism, and a new global role. Along the way, Ambrose follows the 34th President's relations with the people closest to him: most of all, Mamie, his son John, and Kay Summersby, as well as Franklin D. Roosevelt, Winston Churchill, Charles de Gaulle, Harry Truman, Nixon, Dulles, Khrushchev, Joe McCarthy, and indeed all the American and world leaders of his time. This superb interpretation of Eisenhower's life confirms Stephen Ambrose's position as one of our finest historians. **By His Own Hand?** John D. W. Guice, Jay H. Buckley, 2011-11-09 For two centuries the question has persisted: Was Meriwether Lewis's death a suicide, an accident, or a homicide? *By His Own Hand* is the first book to carefully analyze the evidence and consider the murder versus suicide debate within its full historical context. The historian contributors to this volume follow the format of a postmortem court trial, dissecting the case from different perspectives. A documents section permits readers to examine the key written evidence for themselves and reach their own conclusions. **The Axmann Conspiracy** Scott Andrew Selby, 2013 Berlin 1945: Artur Axmann, a trusted member of Hitler's inner circle and leader of the Hitler Youth, witnesses the Führer commit suicide. But he would not let the Reich die with its leader. Evading capture and with access to remnants of the regime's wealth, Axmann had enough followers to reestablish the Nazi party in the very heart of Allied-occupied Germany and position himself to become dictator of a Fourth Reich. U.S. Army Counter Intelligence Corps Officer Jack Hunter was the perfect undercover operative. Fluent in German, he posed as a black marketeer to root out Nazi sympathizers and saboteurs after the war, and along with other CIC agents uncovered the extent of Axmann's conspiracy. It threatened to bring the Nazis back into power, and the task fell to Hunter and his team to stop it. *The Axmann Conspiracy* is the true story of the Nazi threat that continued in the wake of World War II, the espionage that defeated it, and two fascinating men whose lives forever altered the course of history. INCLUDES PHOTOGRAPHS AND MAPS **Professional Journal of the United States Army**, 2004 *Prologue*, 2015 **The Oxford Handbook of Asian American History** David Yoo, Eiichiro Azuma, 2016 The *Oxford Handbook of Asian American History* brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area. The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II, from the experience of exclusion, violence, and racism to the social and political activism of the late twentieth century. The authors explore many of the key aspects of the Asian American experience.
