Transformation Bob Roberts, Jr., 2010-08-30 Transformation lays the groundwork for what church and Christian community can become in this new century Author and pastor Bob Roberts Jr is one of the architects of this unique approach to Christianity based on biblical and missional discipleship that he calls T Life transformed life which leads to a T World transformed world Ever since Jesus commission to make disciples in his name Christianity has transformed lives and the world at large To those watching it must have looked like an upstart religion led by a group of men most of whom were martyred for their beliefs The voice of secular culture today is no louder and no more indulgent than it was in those days And yet much of the Western church has settled for becoming just another mass media market that s adding to the noise instead of a movement that continues to turn the world upside down Drawing inspiration from early church history and the emerging church in the developing world Roberts envisions a new way of engaging the local church to achieve common goals He calls for Building a church culture rather than a church program Empowering the local church to invest in the global missions field Consistently reestablishing our relationship with Jesus Christ in order to experience true transformation In fact all this begins with a growing interactive relationship with God that includes personal and corporate worship This in turn results in community As community serves others transformation has both a global and local impact and creates transformation in the world Transformation redefines the focus and practice of the church not from external bells and whistles but from the internal transformation of the very character of its people

Transformation Bob Roberts, 2006 **Glocalization** Bob Roberts Jr., 2009-08-30 If you want to know where and how the church is going to grow think local and global Think glocal Glocal is Bob Roberts term for the seamless connectedness between the local and global That connection is affecting the church in ways that never could have been imagined in the first century church or even the twentieth century church And it's creating unprecedented opportunities for individuals and churches for you and your church to live out their faith in real time across the world Glocalization offers a vision of the unprecedented changes of our times and how they are impacting the church Discover how these changes will transform the way churches define their mission and how Christians relate to one another and to the world This provocative book turns the traditional mission agency model upside down and shows how transformed people and churches can make a glocal global and local impact Glocalization offers an exciting vision for churches and individuals who want to reach this changing world for Christ *An Uncertain Certainty* Graham Buxton, 2015-03-26 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst **Pope Francis, Conscience of the World** John Raymaker, Gerald Grudzen, 2019-11-12 Why is it that Pope Francis is admired by so many What gives him the uncanny ability to speak with young people in language familiar to them In this book John Raymaker and Gerry Grudzen explore the life and writings of Pope Francis which have a prophetic visionary ability to speak to important issues of the day The authors evaluate how Pope Francis encounters with religious leaders of other faiths have broken new ground to help unite mankind They reach back into Christian history to explore the teachings of such Catholic mystics as Thomas Merton while also delving into the beliefs of Islamic and Buddhist mystics to demonstrate how well the pope is in touch with a spirituality that can speak to those seeking the truth In its final chapters the book examines how the pope endorses the work of Christians who live their faith in small Christian communities and reveals how such communities can strengthen parish life

in various parts of the world Like St Francis his namesake and like Teilhard de Chardin before him the pope has an appropriate vision to rebuild God s Church in a transitional age His writings have focused on caring for the earth and preaching the good news of the gospels in a way that and allows him to reach young people in need of joy as they face an uncertain future He is the Conscience of the World The Facilitator Era Tom Steffen,2011-01-01 Some time ago Ralph Winter brilliantly identified three eras of modern missions Era 1 William Carey focused on the coastlands Era 2 Hudson Taylor focused on the inlands Era 3 Donald McGavran and Cameron Townsend focused on unreached peoples With all the fast and furious changes swirling around us today in twenty first century missions have we entered a Fourth Era If so who are the people primarily involved How are they selected How are they trained How long do they serve Has the Third Era ministry focus reaching the unreached changed If so to what Are there any successful case studies out there Have McGavran and Townsend passed the baton to a new leader s If so to whom This book seeks to answer these and related questions Contributors Dr Ben Beckner Dr Monroe Brewer Dr Don Finley Mike Griffis Dr Gary Hipp MD Jerry Hogshead Kaikou Maisu Judy Manna Kenn Oke Dr A Sue Russell Dr Robert Strauss Peter Swann Bryan Thomas Diane Thomas Dr Mike Wilson Dr Sherwood G Lingenfelter *Breaking the Discipleship Code* David Putman,2008 Balancing cultural relevance with biblical faithfulness Putman invites ordinary believers to begin having an extraordinary spiritual impact in their unique context
