light We cannot teach a drowning person how to swim Similarly we cannot teach healthy behavior to an out of control child It is necessary to stop destructive or harmful behavior with temporary measures but long term learning takes time repetition creative insight and willingness to listen to our inner spiritual parenting guide Teaching behavior principles is similar to teaching math or reading It takes loving patience and faith in a child's ability to learn When children understand correct principles their mistakes disappear Parables like the Wheat and Tares explain the spiritual law of growth and development The scriptures contain powerful stories that make spiritual laws practical and effective in parenting and daily family life Principle Centered Parenting is a guide for parents to tap into their own and their children's infinite spiritual resources
