Translating Dissent Voices Egyptian Revolution:

Translating Dissent Mona Baker, 2015-10-30 Written by the winners of the Intranews Linguists of the Year award for 2016 Discursive and non discursive interventions in the political arena are heavily mediated by various acts of translation that enable protest movements to connect across the globe Focusing on the Egyptian experience since 2011 this volume brings together a unique group of activists who are able to reflect on the complexities challenges and limitations of one or more forms of translation and its impact on their ability to interact with a variety of domestic and global audiences Drawing on a wide range of genres and modalities from documentary film and subtitling to oral narratives webcomics and street art the 18 essays reveal the dynamics and complexities of translation in protest movements across the world Each unique contribution demonstrates some aspect of the interdependence of these movements and their inevitable reliance on translation to create networks of solidarity The volume is framed by a substantial introduction by Mona Baker and includes an interview with Egyptian activist and film maker Philip Rizk With contributions by scholars and artists professionals and activists directly involved in the Egyptian revolution and other movements *Translating Dissent* will be of interest to students of translation intercultural studies and sociology as well as the reader interested in the study of social and political movements Online materials including links to relevant websites and videos are available at <http://www.routledge.com/cw/baker> Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal <http://www.routledge.com/textbooks/translationstudies>

Dignity in the Egyptian Revolution Zaynab El Bernoussi, 2021-07 Examining the concept of dignity or karama in Arabic this provides insights into protesters motives in participating in the 2011 Egyptian revolution

Women Resisting Sexual Violence and the Egyptian Revolution Manal Hamzeh, 2020-06-25 Women were at the forefront of the Egyptian Revolution in 2011 with the Arab Spring protests providing an unprecedented opportunity to make their voices heard But these women also faced an intense backlash from Egypt's patriarchal authorities with female activists subjected to sexual violence and intimidation by the regime and even fellow protestors Centered on the testimonies of four women who each played a significant role in the protests this book provides unique insight into women's experiences during the Egyptian Revolution and into the methods of resistance these women developed in response to sexual violence In the process Hamzeh casts new light on the relationship between gendered and state violence and argues that women's resistance to this violence is reshaping gender relations in Egypt and the wider Arab world

Laugh like an Egyptian Cristina Dozio, 2021-09-20 Egyptians are known among the Arabs as *awl d al nukta* Sons of the Jokes for their ability to laugh in face of adversity This creative weapon has been directed against socio political targets both in times of oppression and popular upheaval such as the 2011 Tahrir Revolution This book looks at the literary expression of Egyptian humour in the novels of Mu'ammad Mustaj b Khayr Shalab and Ahmad Ab Julayyil three writers who revive the comic tradition to innovate the language of contemporary fiction Their modern tricksters wise fools and antiheroes play with the stereotypical traits attached to the ordinary Egyptians while laughing at the universal contradictions of life This ability to combine local and global culture literary traditions and popular references makes them a stimulating read in an intercultural perspective Combining humour studies and literary criticism this book examines language play and narrative creativity to understand which strategies craft Egyptian literary humour In doing so it sheds light on the contribution of humour to literary innovations of Egyptian fiction since the late Seventies while adding new writers to those who are considered the masters of humour in the Arab novel

Revolutionary Art and Politics in Egypt Rounwah Adly Riyadh Bseiso, 2023-01-26 This book examines the role of artists in Egypt during the 2011 revolution when street art from graffiti to political murals became

ubiquitous facets of revolutionary spaces Through interviews personal testimonies and accounts of the lived experience of 25 street artists the book explores the meaning of art in revolutionary political contexts specifically by focusing on artistic production during liminal moments as the events of the Egyptian revolution unfolded The author privileges the perspective of the actors themselves to examine the ways that artists reacted to events and conceived of their art as means to further the goals of the revolution Based on fieldwork conducted in the years since 2011 the book provides a narrative of Egyptian artists participation in and representations of the revolution from hopeful beginnings to the subsequent crackdown and election of al Sisi

Creative Resistance Sabine Damir-Geilsdorf,Stephan Milich,2020-04-02 During the uprisings of the Arab Spring between 2010 and 2012 oppositional movements used political humor to criticize political leaders or to expose the absurdities of the socio political conditions These humorous expressions in various art forms such as poetry stand up comedy street art music caricatures cartoons comics and puppet shows were further distributed in the social media This first comprehensive study of political humor in the uprisings explores the varieties and functions of political humor as a creative tool for resistance It analyzes humorous forms of cultural expression and their impact on socio political developments in different countries of the Middle East and North Africa with a special focus on the changing modes of humor **Edinburgh Companion to the Postcolonial Middle East** Ball Anna Ball,2018-11-14 This Edinburgh Companion seeks to develop a postcolonial framework for addressing the Middle East The first collection of essays on this subject it assembles some of the world s foremost postcolonialists to explore the critical theoretical and disciplinary possibilities that inquiry into this region opens for postcolonial studies Throughout its twenty four chapters its focus is on literary and cultural critique It draws on texts and contexts from the late nineteenth to the early twenty first centuries as case studies and deploys the concept of post colonial modernity to reveal the enduring impact of colonial and imperial power on the shaping of the region And it covers a wide and significant range of political social and cultural issues in the Middle East during that period including the heritage of Orientalism in the region the roots and contemporary branches of the Israel Palestine conflict colonial history state formation and cultures of resistance in Egypt Turkey the Maghreb and the wider Arab world the clash of tradition and modernity in regional and transnational expressions of Islam the politics of gender and sexuality in the Arab world the ongoing crises in Libya Iraq Iran and Syria the Arab Spring and the Middle Eastern refugee crisis in Europe **Creative Radicalism in the Middle East** Caroline Rooney,2020-06-11 Addressing the question of how neoliberal ideology has served to conflate the radical left with extremism this book examines how the Arab left has asserted itself in the context of authoritarianism and Islamic extremism during and after the Arab uprisings It examines how the Arab cultural left has offered a critique of the signifying practices of political hegemonies in the region and argues that though creative expression as constituted in the very language of the Arab uprisings it has put forward its own alternatives Using a wide array of texts and sources both Arab and non Arab the opening chapters of the book identify how ethical and radical values pertaining to

sociality are co-opted by political leaders in the Middle East and turned into jargon. Later chapters outline resistance to this co-option through a poetics of intersubjectivity that takes structures of feeling into account ranging from disappointment, despair, and distrust to dignity, solidarity, and reconfigured senses of the sacred. In showing how psychological and affective states relate to signifying practices, the book offers an original conceptual framework for differentiating radicalization from the creative radicalism of the Arab avant-garde.
