Traveling Music The Soundtrack To My Life And Times:

Traveling Music Neil Peart, 2004-09 Neil Peart decided to drive his BMW Z 8 automobile from L A to Big Bend National Park in Southwest Texas As he sped along between the gas gulping SUVs and asthmatic Japanese compacts clumping in the left lane and the roaring straining semis in the right he acted as his own DJ lining up the CDs chronologically and according to his possible moods Not only did the music I listened to accompany my journey but it also took me on sidetrips through memory and fractals of associations threads reaching back through my whole life in ways I had forgotten or had never suspected Sifting through those decades and those memories I realized that I wasn't interested in recounting the facts of my life in purely autobiographical terms but rather in trying to unweave the fabric of my life and times As one who was never much interested in looking back because always too busy moving forward I found that once I opened those doors to the past I became fascinated with the times and their effect on me The songs and the stories I had taken for granted suddenly had a resonance that had clearly echoed down the corridors of my entire life and I felt a thrill of recognition and the sense of a kind of adventure A travel story but not so much about places but about music and memories **From the Inside** Russ

DiBella, 2011-03-03 In 1978 when music found its way into Russ DiBellas life largely by way of external circumstances a natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music manifesting itself in ways both deliberate and unanticipated Part memoir and part backstage pass *From the Inside* is actually written from the perspective of an outsider looking in although very often and surreptitiously from within With a detailed history of how music became such an actively integral part of his life even before an awareness of his parents unintended influence and an in depth behind the scenes look at several concerts to include a respectable gathering of drumsticks along the way DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer accomplice and collector Less a narrative about unofficial access to rock stars *From the Inside* sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts Meeting drum techs guitar techs and other assorted crew and band members and observing load ins soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert goer Not wanting for moments of rocknroll flash encounters with rockers Mick Jagger Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account Clearly written with an appreciation both for music and those artists who've inspired *From the Inside* is the story of a life examined through the lens of music **Rock And Roll** Paul Friedlander, 2018-05-04 Now updated with two new chapters and an extraordinary collection of photographs this second edition of Paul Friedlander's *Rock and Roll A Social History* is a smash hit The social force of rock and roll music leaps off the page as Paul Friedlander provides impressive insights based on
