ADAM HAMILTON

A painting depicting the journey of Mary and Joseph. Mary is on the left, wearing a light blue robe and a white headscarf, looking towards the right. Joseph is on the right, wearing a dark brown robe and a dark hat, looking towards the left. They are walking towards a distant, hazy landscape under a bright, glowing sun or moon. The overall tone is serene and contemplative.

Stiffler,2009-10-15

It did not start out that way what began as a simple letter mailed to a few friends has now emerged as this book taking the form of practical spiritual thoughts and actions that center around the seasons of the church and calendar year Encouragement came like so many birds filling the sky singing to lift the dawn that I might see a new day Their music lifted my soul Words of interest asking when this material would be published became the incentive for publication Years of celebration involving the seasons that touch our lives so deeply moved within me The high seasons and holy days never failed to provide a deep inspiration in my soul It is from these moments that I compose the words and images that are found in this book Following Spiritual Pathways A pathway to spiritual growth is open to those who seek in quiet moments an awareness

of the Divine Here the mind will inform the heart and the heart will illuminate the mind forming a spiritual circle that gives balance to life Each page invites you to enter an experience expressed in poetic form along with a guided imagery that can turn these quiet moments into a meaningful life experience This pathway reflects my personal journey of meditation that began in 1977 under the guidance of Sister Virginia Mary Barta of Marionjoy in Wheaton Illinois and the urging of Rev Dean Williams the Chaplain Since then I have shared what I experience as my mind informs my heart and my heart illuminates my mind

Enough, Revised and Updated Adam Hamilton, 2012-02-01 Money has great power in our lives Used wisely it is one key to accomplishing our goals providing for our needs and fulfilling our life purpose In recent years many of us ignored the wisdom of the past when it came to managing and spending our money Credit card debt soared savings rates plummeted and our home equity became something to be tapped into and spent rather than a source of security in retirement We felt an insatiable desire for more And we found ourselves spending tomorrow's money today in order to have what we hoped would satisfy The result of all of this was not greater happiness and satisfaction but greater stress and anxiety Enough is an invitation to rediscover the Bible's wisdom when it comes to prudent financial practices In these pages are found the keys to experiencing contentment overcoming fear and discovering joy through simplicity and generosity This book could change your life by changing your relationship with money We Americans love our stuff We're living in a fast paced me first instant gratification world and it's finally catching up to us Debt is out of control homes are in foreclosure even banks are going out of business What the world needs today is the message of contentment and simplicity and that's exactly what Pastor Adam Hamilton delivers in *Enough* Dave Ramsey New York Times Best Selling Author and Nationally Syndicated Radio Talk Show Host Once again Adam Hamilton is leading the church *Enough* is enough was once a Wesleyan watchword Adam breathes new life into the Wesleyan commitment to simplicity Amid a culture of greed and conspicuous consumption Adam calls us to a biblically based evangelical joy of having the faith to say enough is enough Bishop Will Willimon United Methodist Church Birmingham Area I pay close attention to whatever Adam Hamilton writes His books are marked by extraordinary pastoral insight biblical and theological depth courage to speak the truth and down to earth practicality *Enough* comes like an antidote in the middle of a pandemic I hope that classes groups couples and individuals will use this book and the economic crisis it addresses as a challenge to get healthy again by deepening our discipleship in the vital area of money and possessions Brian McLaren Author Networker brianmclaren.net

Forgiveness Adam Hamilton, 2012-08-01 If your enemies are starving feed them some bread if they are thirsty give them water to drink Proverbs 24:17 CEB There is nothing more crippling than holding on to anger Anger more than any other emotion has the power to consume all aspects of our lives distort our sense of purpose and destroy our relationship with God In the passionate and life changing book *Forgiveness Finding Peace Though Letting Go* bestselling author Adam Hamilton brings the same insight that he applied in the bestseller *Why to the challenge of forgiveness* Hamilton argues that revelation comes when we realize that forgiveness is a gift we give

ourselves rather than to someone else He also contends that only when we learn to forgive others and ourselves can we truly receive forgiveness from God
