Consciously Female Tracy Gaudet,Paula Spencer,2007-12-18 In this revolutionary new book Dr Tracy Gaudet director of the Duke Center for Integrative Medicine shares her remarkable vision of a new way of looking at self and wellness which will change the way women think about their bodies their health and their lives Through her own personal journey as well as her work with thousands of women as an Ob Gyn Dr Gaudet knows that being able to tap into the spiritual emotional and cyclical realities of female life has a powerful effect on health and well being Yet she has found that many women are unconscious of the intimate connections between these realms Now Dr Gaudet explains to women how to reconnect their bodies and their souls in order to become consciously female Using her experience in integrative medicine which draws on the best of both alternative and conventional Western practices she offers mind body techniques that will give you a deeper understanding of the inner workings of your body and access to your unique feminine wisdom By helping you make the best possible choices to support your health and wellness the process of becoming consciously female will enrich and empower your life day to day week to week year to year **Llewellyn's 2025 Witches' Companion** Llewellyn,2024-07-08 Pivotal

Perspectives on Modern Magic Now featuring more articles than ever Llewellyn's 2025 Witches Companion makes it easy to stay on top of the trends in today's Pagan and Witchcraft communities Packed with advice from prominent practitioners and hands on tips to fortify your magical prowess this inclusive almanac provides nearly thirty articles exploring the forefront of contemporary magic Coming Out to Your Non Witchy Friends Befriending Deities Climate Change and Paganism The Wheel of the Year for Modern Witches Avoiding Scams for Spiritual Services Rituals to Honor Military Service People Magickally Responsible Travel Morning Coffee with the Ancestors Finding the Spiritual Side of a Fight Witchcraft's Human Element in the Age of AI This year's edition includes spells rituals projects and advice from some of the most popular Witch and Pagan writers Elizabeth Barrette Emily Carlin Autumn Damiana Lilith Dorsey Emma Kathryn Phoenix LeFae Najah Lightfoot Kate Freuler Dodie Graham McKay Ari Jason Mankey Melanie Marquis Diana Rajchel Stephanie Rose Bird Michelle Skye Tess Whitehurst Laura Tempest Zakroff Includes lunar information for spellwork and rituals *On My Own* Florence Falk,2007-03-20 At some point over the course of the average American woman's life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a

loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified On My Own boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women s lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society s stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily

Touching Surfaces Anca Cristofovici,2009 Who isn t seduced by the idea of an affinity between aging and aesthetics Yet when does aging truly begin What attributes does the aesthetic embrace Looking into startling photographic art of the past three decades this book is prompted by such questions and turns them into a meditation on how aesthetics mediates our relation to time The photographic approach of the corporeal is at the center of the book Within a phenomenological framework Cristofovici brings into focus the physical and the psychic body to read aging as a process of change and becoming over time Her understanding of aging sees beyond difference into larger patterns of perceptions that we share Offering valuable insights into aging as a process of subject construction this book will be of interest to students and scholars of visual culture photography art history age studies and theories of knowledge This cross disciplinary study that puts theory to the test of life s and art s paradoxes in an evocative style will also appeal to a wider readership interested in how photography and aging illuminate each other
