Without You The Tragic Story Of Badfinger With Cd Audio:

Without You Dan Matovina, 2000 Book and CD The story of Badfinger is among the most tragic in the history of rock n roll They were championed by the Beatles yet their two principal songwriters committed suicide An expose of the music business Without You also serves as a tribute to the band s work This revised edition includes a CD of over 72 minutes of music and interviews 300 photos complete listing of studio dates and concerts and a discography

Godfather of the Music Business Richard Carlin, 2016-03-10 Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Record Labels Best History 2017 This biography tells the story of one of the most notorious figures in the history of popular music Morris Levy 1927 1990 At age nineteen he cofounded the nightclub Birdland in Hell s Kitchen which became the home for a new musical style bebop Levy operated one of the first integrated clubs on Broadway and helped build the careers of Dizzy Gillespie and Bud Powell and most notably aided the reemergence of Count Basie In 1957 he founded a record label Roulette Records Roulette featured many of the significant jazz artists who played Birdland but also scored top pop hits with acts like Buddy Knox Frankie Lymon and the Teenagers Joey Dee and the Starlites and in the mid 1960s Tommy James Stories abound of Levy threatening artists songwriters and producers sometimes just for the sport other times so he could continue to build his empire Along the way Levy attracted investors with ties to the Mafia including Dominic Ciarfano a.k.a Swats Mulligan Tommy Eboli and the most notorious of them all Vincent Gigante Gigante allegedly owned large pieces of Levy s recording and retail businesses Starting in the late 1950s the FBI and IRS investigated Levy but could not make anything stick until the early 1980s when Levy foolishly got involved in a deal to sell remaindered records to a small time reseller John LaMonte With partners in the mob Levy tried to force LaMonte to pay for four million remaindered records When the FBI secretly wiretapped LaMonte in an unrelated investigation and agents learned about the deal investigators successfully prosecuted Levy in the extortion scheme Convicted in 1988 Levy did not live to serve prison time Stricken with cancer he died just as his last appeals were exhausted However even if he had lived Levy s brand of storied high life was effectively bust Corporate ownership of record labels doomed most independents in the business ending the days when a savvy if ruthless hustler could blaze a path to the top

Badfinger on Track Robert Day-Webb, 2022-08-09 Generally regarded as one of the most tragic tales in the history of rock music the story of Badfinger makes for an impressively sombre Hollywood style film script A Welsh and Liverpudlian hybrid the band were signed to Apple Records became prot g s of The Beatles and produced four global hit singles Two of its members also co wrote the now perennial pop standard Without You covered most notably by Harry Nilsson Yet Badfinger found themselves plagued by ruinous misfortune and through a combination of unscrupulous business management record label neglect and just plain bad luck the dream soon lay in tatters with the band s story ultimately culminating in the suicides of two of its members Pete Ham and Tom Evans This book helps redress the band s legacy and refocuses some much needed attention on the brilliance of their music It

casts a keen critical eye over their entire musical output albums and singles recorded and released during their lifetime This detailed and definitive guide not only examines and assesses the recordings but also provides valuable historical context for each album and while not ignoring the financial and legal issues that blighted the band this book ultimately focuses on Badfinger's considerable musical legacy Robert Day Webb graduated from the University of Birmingham and subsequently worked in the publishing industry for sixteen years undertaking a wide variety of editorial and writing roles A self confessed music movie and TV buff Robert has also had several personal reflection essays published in a number of music and TV related anthology books He currently lives in Gloucester UK with his wife Marie their two children Joshua and Lauren and an extremely oversized CD collection *The Beatles , Do You Believe in Rock and Roll?* Raymond I.
