Witness Testimony Evidence Argumentation And The Law

Douglas Walton

Witness Testimony Evidence Argumentation And The Law:

Witness Testimony Evidence Douglas Walton, 2007-11-19 Recent work in artificial intelligence has increasingly turned to argumentation as a rich interdisciplinary area of research that can provide new methods related to evidence and reasoning in the area of law Douglas Walton provides an introduction to basic concepts tools and methods in argumentation theory and artificial intelligence as applied to the analysis and evaluation of witness testimony He shows how witness testimony is by its nature inherently fallible and sometimes subject to disastrous failures At the same time such testimony can provide evidence that is not only necessary but inherently reasonable for logically guiding legal experts to accept or reject a claim Walton shows how to overcome the traditional disdain for witness testimony as a type of evidence shown by logical positivists and the views of trial sceptics who doubt that trial rules deal with witness testimony in a way that yields a rational decision making process Witness Testimony Evidence , 2008 **Argumentation Methods for Artificial Intelligence in Law**

Douglas Walton, 2005-06-30 Use of argumentation methods applied to legal reasoning is a relatively new field of study The book provides a survey of the leading problems and outlines how future research using argumentation based methods show great promise of leading to useful solutions The problems studied include not only these of argument evaluation and argument invention but also analysis of specific kinds of evidence commonly used in law like witness testimony circumstantial evidence forensic evidence and character evidence New tools for analyzing these kinds of evidence are introduced Legal Argumentation and Evidence Douglas Walton, 2010-11-01 A leading expert in informal logic Douglas Walton turns his attention in this new book to how reasoning operates in trials and other legal contexts with special emphasis on the law of evidence The new model he develops drawing on methods of argumentation theory that are gaining wide acceptance in computing fields like artificial intelligence can be used to identify analyze and evaluate specific types of legal argument In contrast with approaches that rely on deductive and inductive logic and rule out many common types of argument as fallacious Walton s aim is to provide a more expansive view of what can be considered reasonable in legal argument when it is construed as a dynamic rule governed and goal directed conversation This dialogical model gives new meaning to the key notions of relevance and probative weight with the latter analyzed in terms of pragmatic criteria for what constitutes plausible evidence rather than truth Legal Evidence and Proof Henry Prakken, Hendrik Kaptein, 2016-04-22 As a result of recent scandals concerning evidence and proof in the administration of criminal justice ranging from innocent people on death row in the United States to misuse of statistics leading to wrongful convictions in The Netherlands and elsewhere inquiries into the logic of evidence and proof have taken on a new urgency both in an academic and practical sense This study presents a broad perspective on logic by focusing on inference not just in isolation but as embedded in contexts of procedure and investigation With special attention being paid to recent developments in Artificial Intelligence and the Law specifically related to evidentiary reasoning this book provides clarification of problems of logic and

argumentation in relation to evidence and proof As the vast majority of legal conflicts relate to contested facts rather than contested law this volume concerning facts as prime determinants of legal decisions presents an important contribution to the field for both scholars and practitioners

Argument Evaluation and Evidence Douglas Walton, 2015-08-04 This monograph poses a series of key problems of evidential reasoning and argumentation It then offers solutions achieved by applying recently developed computational models of argumentation made available in artificial intelligence Each problem is posed in such a way that the solution is easily understood The book progresses from confronting these problems and offering solutions to them building a useful general method for evaluating arguments along the way It provides a hands on survey explaining to the reader how to use current argumentation methods and concepts that are increasingly being implemented in more precise ways for the application of software tools in computational argumentation systems It shows how the use of these tools and methods requires a new approach to the concepts of knowledge and explanation suitable for diverse settings such as issues of public safety and health debate legal argumentation forensic evidence science education and the use of expert opinion evidence in personal and public deliberations

Roberts & Zuckerman's Criminal Evidence Paul Roberts, Adrian Zuckerman, 2022 Providing a systematic and contextualised introduction to the principles of criminal evidence and trial procedure this title is designed for university courses at all levels and for criminal practitioners seeking concise summaries of current law and a principled basis for novel legal arguments

Handbook of Legal Reasoning and Argumentation Giorgio Bongiovanni, Gerald Postema, Antonino Rotolo, Giovanni Sartor, Chiara Valentini, Douglas Walton, 2018-07-02 This handbook addresses legal reasoning and argumentation from a logical philosophical and legal perspective The main forms of legal reasoning and argumentation are covered in an exhaustive and critical fashion and are analysed in connection with more general types and problems of reasoning Accordingly the subject matter of the handbook divides in three parts The first one introduces and discusses the basic concepts of practical reasoning The second one discusses the general structures and procedures of reasoning and argumentation that are relevant to legal discourse The third one looks at their instantiations and developments of these aspects of argumentation as they are put to work in the law in different areas and applications of legal reasoning

Arguments, Stories and Criminal Evidence Floris J. Bex, 2011-02-15 In this book a theory of reasoning with evidence in the context of criminal cases is developed The main subject of this study is not the law of evidence but rather the rational process of proof which involves constructing testing and justifying scenarios about what happened using evidence and commonsense knowledge A central theme in the book is the analysis of ones reasoning so that complex patterns are made more explicit and clear This analysis uses stories about what happened and arguments to anchor these stories in evidence Thus the argumentative and the narrative approaches from the research in legal philosophy and legal psychology are combined Because the book describes its subjects in both an informal and a formal style it is relevant for scholars in legal philosophy AI logic and argumentation theory The book can also

appeal to practitioners in the investigative and legal professions who are interested in the ways in which they can and should reason with evidence **Burden of Proof, Presumption and Argumentation** Douglas Walton, 2014-06-30 This book explains how burden of proof and presumption work as powerful devices in argumentation based on studying many clearly explained legal and non legal examples It shows how the latest argumentation based methods of artificial intelligence can be applied to these examples to help us understand how burdens of proof and presumptions work as devices of legal reasoning It also shows the reader how to deal with presumptions and burdens of proof in everyday life as they shift from one side to the other sometimes confusingly during a sequence of argumentation

If you ally dependence such a referred **Witness Testimony Evidence Argumentation And The Law** book that will find the money for you worth, get the unquestionably best seller from us currently from several preferred authors. If you want to witty books, lots of novels, tale, jokes, and more fictions collections are then launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all ebook collections Witness Testimony Evidence Argumentation And The Law that we will categorically offer. It is not approximately the costs. Its approximately what you craving currently. This Witness Testimony Evidence Argumentation And The Law, as one of the most keen sellers here will completely be among the best options to review.

Witness Testimony Evidence Argumentation And The Law Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Witness Testimony Evidence Argumentation And The Law free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Witness Testimony Evidence Argumentation And The Law free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Witness Testimony Evidence Argumentation And The Law free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Witness Testimony Evidence Argumentation And The Law. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Witness Testimony Evidence Argumentation And The Law any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Witness Testimony Evidence Argumentation And The Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
