Abuse, Power and Fearful Obedience Jennifer G. Bird,2013-05-01 Jennifer G Bird analyzes the construction of wives subjectivity in 1 Peter working primarily with what is referred to as the Haustafel household code section and engaging feminist critical questions postcolonial theory and materialist theory in her analysis Bird examines the two crucial labels for understanding Petrine Christian identity aliens and refugees and royal priesthood and holy nation And finds them to stand in stark contrast with the commands and identity given to wives in the Haustafel section Similarly the command to honour the Emperor which immediately precedes the Haustafel engenders a rich discussion of the text's socio political implications The critical engagement of several symptomatic irruptions within the commands to the wives uncovers the abusive dynamic underlying this section of the letter Finally Bird considers the present day implications of her study Publisher description

A Reflexive Inquiry into Gender Research Samantha Van Schalkwyk,2016-01-14 Questions that concern gender and violence against women have been placed firmly on the agenda of interdisciplinary research within the humanities in recent years Gender based violence against women has increased exponentially in South Africa and in other countries on the African continent particularly those with a history of political conflict Researchers who explore such gender issues have paid limited attention to the intersection between the social contexts of the researched the positionality of the researcher and the research product This book brings together an interdisciplinary group of scholars and scholar activists to explore new terrains of knowledge production interrogating the connection between the intellectual project of this kind of research and the process of its production Some chapters draw on theoretical insights and provide new ways of thinking about the kinds of questions that should be asked when conducting research in the field of gender Other authors grapple with an acknowledgement of their multiple social positions in the world the ways in which they experience these ever shifting boundaries and how this influences their theoretical and practical work Some contributions go further discussing the ways in which the researcher and the researched influence each other and the link between feminist research and social change These chapters contribute to an understanding of how social movement activism can be developed Overall this book represents an important combination of scholarly insights and provides multiple reflections about practical aspects of conducting gender research in the African context The work of the contributors to the volume is situated within a post structural feminist agenda and collectively the chapters link scholarship and activism in a way that pursues a social change agenda in research on gender and gender based violence

The Routledge International Handbook of Domestic Violence and Abuse John Devaney,Caroline Bradbury-Jones,Rebecca J.

Macy, Carolina Øverlien, Stephanie Holt, 2021-03-17 This book makes an important contribution to the international understanding of domestic violence and shares the latest knowledge of what causes and sustains domestic violence between intimate partners as well as the effectiveness of responses in working with adult and child victims and those who act abusively towards their partners Drawing upon a wide range of contemporary research from across the globe it recognises that domestic violence is both universal but also shaped by local cultures and contexts Divided into seven parts Introduction Theoretical perspectives on domestic violence and abuse Domestic violence and abuse across the life course Manifestations of domestic violence and abuse Responding to domestic violence and abuse Researching domestic violence and abuse Concluding thoughts It will be of interest to all academics and students working in social work allied health sociology criminology and gender studies as well as policy professionals looking for new approaches to the subject Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors Disobedience, Slander, Seduction, and Assault Tanja Christiansen, 2010-01-01 Though the law and courts of nineteenth century Peru were institutions created by and for the ruling elite women of all classes used the system to negotiate the complexities of property rights childrearing and marriage and often to defend their very definitions of honor Drawing on the trial transcripts of Cajamarca a northern Peruvian province from more than a century ago this book shares eye opening details about life among this community in which reputation could determine a woman's chances of survival Exploring the processes of courtship seduction and familial duties revealed in these court records historian Tanja Christiansen has unearthed a compelling panorama that includes marital strife slander disobedience street brawls and spousal abuse alongside documents that give evidence of affection and devotion Her research also yields much new information about the protocols for conflict and cooperation among nineteenth century Peruvian women from all social strata and the prevalence of informal unions in an economy driven in large part by migratory male labor Reviving a little known aspect of Latin American history Christiansen's book simultaneously brings to light an important microcosm of women's history during the nineteenth century
