

A group of women in early 20th-century attire, likely a physical education class, are performing a synchronized dance or exercise routine in a gymnasium. They are wearing white long-sleeved shirts with dark V-neck collars and dark, pleated skirts. They are holding thin, light-colored sticks or poles vertically, with their right arms raised high. The background shows a wooden floor and a dark, possibly brick, wall.

Women And Health In America Historical Readings 2nd Edition:

Women and Health in America Judith Walzer Leavitt, 1999 Organised chronologically and then by topic this volume covers studies of women and health in the colonial and revolutionary periods through the Civil War The remainder of the book focuses on the late 19th and 20th centuries

Women, Health, and Nation Georgina D. Feldberg, 2003 This book examines North American women's engagement with their health systems and asks to what extent national citizenship has shaped women's health Authors provide a much needed analysis of the dynamic decades after 1945 when both Canada and the United States began using federal funds to expand health care access and biomedical research and authority reached new heights Midwest

A Companion to American Women's History Nancy A. Hewitt, 2008-04-15 This collection of twenty four original essays by leading scholars in American women's history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women's history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research

The Birth Control Clinic in a Marketplace World Rose Holz, 2014-02 An examination of the complex interrelationship between charity birth control clinics and the commercial marketplace in the United States through the 1970s The Birth Control Clinic in a Marketplace World is the first book to chart the origins and evolution of the charity birth control clinic movement in the United States from the 1910s through the 1970s a period that witnessed dramatic transformation in the goods and services such clinics provided Rose Holz uncovers the virtually unexamined relationship between Planned Parenthood and the commercial marketplace sphere Challenging more than thirty years of historiography on birth control Holz sheds new light on battles over reproductive rights through her analysis of the Planned Parenthood Federation of America within the context of the commercial birth control world Revealing that it would be Planned Parenthood's engagement to charity the argument the organization once used to discredit the presumed profit driven exploitation of the marketplace that would put precisely those women it hoped to assist in dangerous situations she asks such probing questions as What were the meanings attached to the provision of birth control and its commercial distribution How in turn were these meanings used as sources of power The project draws on rich primary sources to answer these questions and to examine the historical role of the local birth control clinic in modern America Rose Holz earned her PhD in history from the University of Illinois at Urbana Champaign She is associate director of and associate professor of practice in the Women's and Gender Studies Program at the University of Nebraska Lincoln

Unceasing Militant, Second Edition Alison M. Parker, 2025-03-17 Born into slavery during the Civil War Mary Church Terrell 1863 1954 would become one of the most prominent activists of her time with a career bridging the late nineteenth century to the civil rights movement of the 1950s The first president of the National Association of Colored Women and a founding member of the NAACP Terrell

collaborated closely with the likes of Frederick Douglass Ida B Wells and W E B Du Bois *Unceasing Militant* is the first full length biography of Terrell bringing her vibrant voice and personality to life Though most accounts of Terrell focus almost exclusively on her public activism Alison M Parker also looks at the often turbulent unexplored moments in her life to provide a more complete account of a woman dedicated to changing the culture and institutions that perpetuated inequality throughout the United States This new edition includes a new preface in which Parker reflects on the resurgence of public interest in Terrell and discusses the newly available digitized files of Terrell s papers at the Library of Congress

Science Has No Sex Arleen Marcia Tuchman,2006-12-08 German born Marie Zakrzewska 1829 1902 was one of the most prominent female physicians of nineteenth century America Best known for creating a modern hospital and medical education program for women Zakrzewska battled against the gendering of science and the restrictive definitions of her sex In *Science Has No Sex* Arleen Tuchman examines the life and work of a woman who continues to challenge historians of gender to this day At a time when most women physicians laid claim to female qualities of care and nurturance to justify their professional choice Zakrzewska insisted that all physicians regardless of gender should depend upon the rational faculties developed through training in the natural sciences She viewed science as a democratizing tool anyone could master science she asserted and therefore the doors to the elite profession of medicine should be opened to all Shedding light on the changes that radically transformed medicine in the late nineteenth century Tuchman s analysis also demonstrates how Zakrzewska s activism is important to the ongoing debate over the relationship between science and sex

Women's Roles in Eighteenth-Century America Merril D. Smith,2010-02-26 This book offers a look at how the lives of women changed in the era when the United States emerged Spanning the broad spectrum of Colonial era life *Women s Roles in Eighteenth Century America* is a revealing exploration of how 18 century American women of various races classes and religions were affected by conditions of the times war slavery religious awakenings political change perceptions about gender as well as how they influenced the world around them *Women s Roles in Eighteenth Century America* covers the area of North America that became the United States and follows the transformation of the British colonies into a new nation The book is organized thematically to examine marriage and the family the law work travel war religion and education and the arts Each chapter combines current research and primary sources to offer authoritative portraits of real lives of the everyday women during this pivotal early era in our history

Black Woman's Burden N. Rousseau,2009-09-28 *Black Woman s Burden* examines the historical endeavors to regulate Black female sexuality and reproduction in the United States through methods of exploitation control repression and coercion The myth of the angry Black woman has been built over generations through clever rhetoric and oppressive social policy Here Rousseau explores the continued impact of labeling and stereotyping on the development of policies that lead to the construction of national racial and gender identities for Black women

Rape in Chicago Dawn Rae Flood,2012-06-15 Spanning a period of four tumultuous decades from the mid 1930s through the mid 1970s this study reassesses the ways in

which Chicagoans negotiated the extraordinary challenges of rape as either victims or accused perpetrators Drawing on extensive trial testimony government reports and media coverage Dawn Rae Flood examines how individual men and women particularly African Americans understood and challenged rape myths and claimed their right to be protected as American citizens protected by the State against violence and protected from the State s prejudicial investigations and interrogations Flood shows how defense strategies evolving in concert with changes in the broader cultural and legal environment challenged assumptions about black criminality while continuing to deploy racist and sexist stereotypes against the plaintiffs Uniquely combining legal studies medical history and personal accounts Flood pays special attention to how medical evidence was considered in rape cases and how victim patients were treated by hospital personnel She also analyzes medical testimony in modern rape trials tracing the evolution of contemporary rape kit procedures as shaped by legal requirements trial strategies feminist reform efforts and women s experiences
