Divided into seven major subject areas it offers insights from experts on International Sport Business Strategy Sport Marketing Sport Economics and Finance International Sport Law Sport Media and Communication Sport Tourism Sport Development. The Routledge Handbook of International Sport Business is an essential resource for any course on sport business sport management or international business.

The Oxford Handbook of Metaphor in Organization Studies, 2024-02-14 Metaphors for organization and management have been a subject of strong interest in the area of organizational studies since the 1980s. Metaphors enhance the understanding of organizations and provide a mechanism for critiquing current practices increasing effectiveness and improving communication. The Oxford Handbook of Metaphor in Organization Studies provides a comprehensive reference for researchers educators and managers. The book comprises twenty nine chapters which are authored by over forty contributors many of whom have played major roles in the development of the field over the years. The theoretical underpinnings of organizational metaphors are explored. An array of metaphorical contexts for understanding management and organizations is presented. The various uses of metaphor as a tool in research education and management are addressed as are the limitations of metaphors. Finally future research directions related to metaphors in organizational studies and management are proposed.
