**Creatures** Aaron Mahnke,2017-10-10 A fascinating beautifully illustrated guide to the monsters that are part of our collective psyche featuring stories from the Lore podcast now a streaming television series including They Made a Tonic Passed Notes and Unboxed as well as rare material They live in shadows deep in the forest late in the night in the dark recesses of our minds They re spoken of in stories and superstitions relics of an unenlightened age old wives tales passed down through generations Yet no matter how wary and jaded we have become as individuals or as a society a part of us remains vulnerable to them werewolves and wendigos poltergeists and vampires angry elves and vengeful spirits In this beautifully illustrated volume the host of the hit podcast Lore serves as a guide on a fascinating journey through the history of these terrifying creatures exploring not only the legends but what they tell us about ourselves Aaron Mahnke invites us to the desolate Pine Barrens of New Jersey where the notorious winged red eyed Jersey Devil dwells He delves into harrowing accounts of cannibalism some officially documented others the stuff of speculation perhaps He visits the dimly lit rooms where s ances take place the European villages where gremlins make mischief even Key West Florida home of a haunted doll named Robert In a world of emotional vampires and zombie malls the monsters of folklore have become both a part of our language and a part of our collective psyche Whether these beasts and bogeymen are real or just a reflection of our primal fears we know on some level that not every mystery has been explained and that the unknown still holds the power to strike fear deep in our hearts and souls As Aaron Mahnke reminds us sometimes the truth is even scarier than the lore The World of

Lore series includes MONSTROUS CREATURES WICKED MORTALS DREADFUL PLACES **THEY BITE** Jonathan Maberry, David F. Kramer, 2009-08-25 From two award winning authors a collection of horror legends and folklore from the world of supernatural and paranormal storytelling The ultimate guidebook to the horrific roots and modern day expressions of our darkest fears with contributions from the modern masters of the macabre Wary mortals have always lived in fear of monsters that feast on human flesh and blood to energize their evil essence Every culture and country has its demons and since earliest times we've tried to capture these supernatural predators through the power of storytelling But they refuse to be tamed Join Bram Stoker Award winners Maberry and Kramer on a chilling journey into the nature of the beast You'll unearth graves and venture into forbidden caves and forests to discover the evolution of supernatural predators throughout centuries of scares From ancient heroes battling dragons to wary vampire hunters opening cobweb enshrouded coffins this compendium of creepy creatures tracks the monsters of our imagination from the whispered fireside tales of old to the books, comics and films that keep us shivering on the edges of our seats with delight and fascination *Horror Literature through History* Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today's horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don't realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre's evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections *Legacy* Steven L. Smith, 2020-02-28 Growing up with famous parents often leads people to make assumptions Twenty five years ago the Vampires Witches and Shifters emerged from the shadows Ten years later the Fae followed In the years

that followed everyone benefited from those events But as with everything some people are afraid of this change seeing it as a means to lead humanity away from what is believed their divine right Others see the mixing of the races as degradation to their species New enemies arise Cameron and Kala grew up in the shadow of these monumental events and now have to navigate these new challenges and the legacy of their parents Will they live up to the challenge of this new world
