Wisdom's Friends Community And Christology In The Fourth Gospel:

Wisdom's Friends Sharon H. Ringe, 1999-01-01 Sharon Ringe sheds new light on a heretofore neglected aspect of the Fourth Gospel friendship and through it links the concepts of community and Wisdom Christology This connection between Johannine ecclesiology and Christology she writes is critical to an in depth understanding the Fourth Gospel Dwelling in the Household of God Mary L. Coloe, 2017-07-27 In her remarkable first book God Dwells With Us Temple Symbolism in the Fourth Gospel Mary L Coloe P B V M explored the profound insight of John s Gospel expressed in Jesus invitation to his disciples Make your home in me as I make mine in you John 15 4 For the gospel s author and audience the dwelling of God among humans was above all the Jerusalem Temple The gospel traces how after the trauma of the destruction of the Temple the Johannine community came to expand and deepen its knowledge of God s dwelling among humans finding it now in the person of Jesus and in the community of believers Dwelling in the Household of God moves us from seeing God s dwelling place as the Temple to seeing God s dwelling place within the community of believers The starting point now is an image in John 14 2 my Father s house which is given its Old Testament meaning of my father s household Our awareness thus moves like that of the first Christians from understanding My father s house as the Temple John 2 16 to My Father s Household as a community of believers drawn into Jesus own divine filiation Coloe invites us to re read the gospel from the post Easter perspective of those who have become brothers and sisters of Jesus and living Temples of God s presence What emerges is nothing less than a profound mysticism of the mutual indwelling of God and believers Mary Coloe PBVM DTh holds a joint teaching position at the Australian Catholic University and St Paul s Seminary Brisbane Her publications include numerous articles and God Dwells With Us Temple Symbolism in the Fourth Gospel Liturgical Press 2001 **Ecclesial Leadership as Friendship** Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry

Wisdom Commentary: John 1-10 Mary L Coloe, PBVM,2021-07-15 Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John s Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus s words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows

[Friendship and Benefaction in James](#) Alicia J. Batten,2017-06-23 Now available from SBL Press Employing social description social scientific models and rhetorical analysis Alicia J Batten argues that the letter of James is conversant with the topic of friendship within Greek and Roman literature as well as within various texts of early Christianity She illustrates how James drew upon some of the language and concepts related to friendship with an intriguing density to advocate resistance to wealth avoidance of rich patrons and reliance upon God Features Use of friendship benefaction and patronage as lenses through which James and related texts can be viewed A strong case for how the letter appeals to the language and ideas of friendship with regard to God s relationships with humans Exploration of the relationship between the book of James and the teachings of Jesus

Hear and be Wise Alyce M. McKenzie,2004 Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to

help the congregation understand their place in God's world. In this book Alyce McKenzie lays out the four qualities of the wise teacher: the bended knee, the listening heart, the cool head, and the courageous voice, and encourages pastors to make each of these integral to their ministry and vocation. She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher. She offers strategies for applying biblical wisdom to all areas of everyday life.
