All that I Love Finding Home Book 2 One choice one decision has led Mercedes to this place. How can she live with the consequences? After fighting her way through a bitter and hurtful past Mercedes Johnson has painstakingly carved out a life of quiet contentment on a Wyoming farm with her husband Wayne and their three sons. Together she and Wayne have survived the worst trials a couple can face and their relationship has grown as solid and lasting as the farmland beneath their feet. If their relationship is not everything Mercedes might have hoped for it is enough. All that changes when the birth father of Mercedes' oldest child returns to Riverton. Dr. Brandon Rhodes, a renowned heart surgeon, has plans for the son he has never met. Resentful at the secret Mercedes has kept for thirteen years, he threatens the carefully balanced life she and Wayne have created. Just how far is he willing to go to gain what he feels is rightfully his? As Mercedes uncovers the truth of Brandon's intentions regarding their son and the lies surrounding the past, she is torn between what is and what might have been. One choice one decision has led her to this place. How can she live with the consequences? Then I Found You Finding Home Book 3 One glimpse into the eyes of a stranger changes everything. On the first day of her new life Tawnia McKnight finds herself in Oregon, her fifth state in ten years. Another new job, new friends, a heartache left far behind. Maybe in Portland she can at last find what she is looking for. Maybe she can even forget Bret Winn. But when a tragic bridge collapse rocks the city, Tawnia is thrust back into the life of the man she thought she'd never see again. And with him is a stranger, a stranger with inexplicably familiar eyes. Soon Tawnia finds herself drawn into a web of confusion and deceit. Where did the eccentric Autumn Rain come from, and why does she look so much like Tawnia? Though Autumn's agony over her missing father seems real, there is much in her past that cannot be explained. Even more troubling for Tawnia is Bret's interest in Autumn, despite Tawnia's own attraction to the mysterious firefighter who once saved Autumn's life. Danger looms as Tawnia tries to unravel clues to both the past and the current tragedy in Portland. Will she find what she is looking for, or will everything she cares about slip once again from her grasp?
