Dyre: By Moon's Light Rachel E. Bailey, 2016-01-18 In a modern world where Packs of werewolves exist side by side with a none the wiser humanity what if one person stood between a lasting peace among the werewolf Packs and all out civil war A young female werewolf called Des is bound by a blood oath with the guarding of this person the aging leader of all the Packs the Dyre But when the Dyre is murdered on Des's watch she's sworn to protect the new Dyre a young woman named Ruby Des must deal with her emerging feelings for her stubborn new charge while they both try to uncover who's behind the continuing murders of powerful werewolves It's stable employment nice work if you can get it at least until the silver bullets start to fly

Jayber Crow Wendell Berry, 2001-08-30 This is a book about Heaven says Jayber Crow but I must say too that I have wondered sometimes if it would not finally turn out to be a book about Hell It is 1932 and he has returned to his native Port William to become the town's barber Orphaned at age ten Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal in both its goodness and frailty He began his search as a pre ministerial student at Pigeonville College There freedom met with new burdens and a young man needed more than a mirror to find himself But the beginning of that finding was a short conversation with Old Grit his profound professor of New Testament Greek You have been given questions to which you cannot be given answers You will have to live them out perhaps a little at a time And how long is that going to take I don't know As long as you live perhaps That could be a long time I will tell you a further mystery he said It may take longer Wendell Berry's clear sighted depiction of humanity's gifts love and loss joy and despair is seen through his intimate knowledge of the Port William Membership

[A Coulter's Christmas Proposal](#) Lois Faye Dyer, 2011-10-18 After thirteen years roving rancher Eli Coulter had finally returned home to the Triple C He was glad to be back with his brothers less so to revisit the dark memories that had driven them all away Intrepid reporter Amanda Blake insisted she meant no harm Her persistent prying into Eli's past made him edgy though Or was it just her closeness that had him unnerved After working with Eli for several weeks Amanda had to admit it she was falling for her research subject She knew it was foolish to pin any hopes on the gruff bachelor But as the holidays approached the sensitive writer couldn't help but dream of her own happy ending with the sexy cowboy

Terror by Night Ambrose Bierce, 2006 Of all the writers of ghost and horror stories Ambrose Bierce is perhaps the most colourful He was a dark cynical and pessimistic soul who had a grim vision of fate and the unfairness of life which he channelled into his fiction

The Mayday Bill Eidson, 2014-04-01 Bill Eidson scored a hit with *THE REPO* the first installment of an acclaimed series featuring ex DEA Agent Jack Merchant and boat repossession contractor Sarah Ballard In *THE MAYDAY* Eidson continues their intimate fractious partnership as they search for a man's children missing on the high seas No one believes Matt Coulter's

story of his foundered sailboat a life raft adrift at night and a rescue turned kidnapping least of all the police Jack and Sarah don't either at first But they reluctantly take the case and the further they follow its twists and turns the more convinced they become that the missing children are still alive At least for now Eidson is a fine adventure writer with the ability to shift among scenes sketch in minor characters and create a pair of heroes whose vulnerabilities entice and intrigue us Washington Post Gradually the skeptical Merchant and Ballard come to believe in the existence of a particularly nasty modern day pirate Under Eidson's cool and expert guidance so will you Chicago Tribune *The Mystery of John Colter* Ronald M.
