Flights of No Return Steven A. Ruffin, 2015-05-01 Discover the mysterious controversial and sometimes downright eerie history of flights that didn't end as planned The history of aviation is full of accounts of history's most spectacular flights But what about the ones from which someone failed to return A celebrated millionaire who also happened to be the world's foremost aviator lifted off in a small plane one clear morning in 2007 and disappeared The glamorous son of a beloved fallen president took off on a hazy summer night in 1999 and plunged himself and two others into the Atlantic Ocean A US Navy blimp landed one Sunday morning in 1942 in the middle of a city street in California with no one aboard Some of these non returns occurred because of errors in judgment others were intentional and some resulted from causes still unknown Get the full meticulous account of the fascinating people involved in these flights the mistakes they made and the ways in which their flight of no return affected the world Pilot and aviation writer Steven A Ruffin covers the entire 230 year span of manned flight in all types of aircraft through war and peace Balloons blimps biplanes jets and spaceships have all suffered mishaps over the years Don't miss the mystery adventure intrigue and a sprinkling of the supernatural and extraterrestrial in *Flights of No Return*

Area 53 Rik de Mora, 2024-12-06 Have you ever wondered if an alien UFO really crashed at Roswell Do you suspect that its advanced technology has been reverse engineered giving rise to the out of this world innovations we see today What about the crew Did any survive the crash Were they truly aliens or could they have been something entirely different perhaps the subjects of the ultimate black op You've always known that the government has been covering up the truth haven't you Just as you've realized that the story has been kept secret all this time for a reason But are you certain you know what that reason is Maybe it's time to think again In *Area 53* you'll be invited to critically reassess all those conspiracy theories that have been the subject of countless books and TV programs over the years With a fresh perspective and eye opening revelations this book will challenge your beliefs and make you question everything you thought you knew about the Roswell incident and its aftermath
