Witnessing Their Faith Witnessing Their Faith:

Witnessing Their Faith Jay Alan Sekulow, 2007-12-13 When it was ratified in 1791 the First Amendment to the Constitution of the United States sought to protect against two distinct types of government actions that interfere with religious liberty the establishment of a national religion and interference with individual rights to practice religion Since that time no question has so bedeviled the U S Supreme Court as finding the best way to interpret and apply the Establishment Clause and the Free Exercise Clause of the First Amendment In this unique and timely book Jay Sekulow examines not only the key cases and their historical context that have shaped the law concerning church state relations but also for the first time the impact of the religious faith and practices of Supreme Court Justices who have ruled in each case Covering cases from the teaching of religion in public schools and the use of federal funds for parochial schools to today s debates about the Pledge of Allegiance and public displays of the Ten Commandments *Witnessing Their Faith* is essential reading for anyone interested in the history and future of religious freedom in America *Transforming God's People IV: Witnessing Community Through the Years*, *Joyful Witness in the Muslim World (Mission in Global Community)* Evelyne A. Reisacher, 2016-09-20 This up to date textbook features global perspectives on current Christian engagement with Islam equipping readers for mission among Muslims Evelyne Reisacher who has worked extensively with Muslims in Europe helps readers move from fear to joy as they share the gospel with Muslims Reisacher surveys areas where Muslims and Christians encounter one another in the twenty first century highlighting innovative models of Christian witness in everyday life Drawing on insights from global Christianity this survey takes account of diverse conceptions of Muslim Christian relations The book may surprise those who believe mission among Muslims is nearly impossible This is the first book in the Mission in Global Community series which reframes missiological themes and studies for students around the common theme of mission as partnership with others Series authors draw upon their own global experience and that of their global colleagues to illumine present realities and chart a course into the future Series editors are Scott W Sunquist and Amos Yong *At Last I Can Witness!* Robert Davis, 2013-03 If you are one of the millions of Christians who love the Lord but have held back from sharing your faith even when you wanted to *At Last I Can Witness* is the book you have been waiting for At last you ll be able to share Jesus with those in your personal Jerusalem your family relatives and friends with compassion and confidence You ll fearlessly reach out to your Judean neighbors and co workers with the Good News you have been longing to give them You ll also learn how to reach the fellow travelers in your personal Samaria your frequent flyer contacts and even your enemies to introduce them to your best friend and theirs And if you dare you may even venture out to the uttermost parts of your world to take the gospel to every creature Find out how you can go bowling or fishing camping picnicking for Jesus how to let your fingers do the walking while dialing the Good News how to write letters for God you ll even learn how to beat the Mormons and Jehovah s Witnesses at their own game and for those who love a mystery the tract that nobody is using In short you ll

forms of witnessing in the twentieth and twenty first centuries This book explores the ways in which various witnesses to political atrocity and their mediators tacitly drew on religious themes of salvation to make sense of their suffering It investigates survivor testimony and the use made of it through scholarly interpretations of testimony within the Hebrew Bible New Testament and theological and philosophical traditions within Judaism and Christianity The chapters move from a consideration of the early post Shoah writings of Paul Celan and Primo Levi through to a discussion of the Truth and Reconciliation Commissions of South Africa and Canada The author makes the case for a weak messianism or remnant witnessing as an antidote to overdetermined and politicized uses made of survivor testimonies This book makes a valuable contribution to the work of theopolitics which claims that theology despite its persistent misuse can serve a constructive and critical force within public life albeit in a chastened key

War and Memory at the Time of the Fifth Crusade Megan Cassidy-Welch, 2019-07-01 In this book Megan Cassidy Welch challenges the notion that using memories of war to articulate and communicate collective identity is exclusively a modern phenomenon War and Memory at the Time of the Fifth Crusade explores how and why remembering war came to be culturally meaningful during the early thirteenth century By the 1200s discourses of crusading were deeply steeped in the language of memory crusaders understood themselves to be acting in remembrance of Christ's sacrifice and following in the footsteps of their ancestors At the same time the foundational narratives of the First Crusade began to be transformed by vernacular histories and the advent of crusading romance Examining how the Fifth Crusade was remembered and commemorated during its triumphs and immediately after its disastrous conclusion Cassidy Welch brings a nuanced perspective to the prevailing historiography on war memory showing that remembering war was significant and meaningful centuries before the advent of the nation state This thoughtful and novel study of the Fifth Crusade shows it to be a key moment in the history of remembering war and provides new insights into medieval communication It will be invaluable reading for scholars interested in the Fifth Crusade medieval war memory and the use of war memory
