Wittgenstein And Moral Philosophy Routledge Revivals

John Casey

Wittgenstein And Moral Philosophy Routledge Revivals:

Wittgenstein and Moral Philosophy (Routledge Revivals) Paul Johnston, 2014-04-08 Wittgenstein's philosophical achievement lies in the development of a new philosophical method rather than in the elaboration of a particular philosophical system Dr Paul Johnston applies this innovative method to the central problems of moral philosophy whether there can be truth in ethics or what the meaning of objectivity might mean in the context of moral deliberation Wittgenstein and Moral Philosophy first published in 1989 represents the first serious and rigorous attempt to apply Wittgenstein's method to ethics The conclusions arrived at differ radically from those dominating contemporary ethical discussion revealing an immense discrepancy between the ethical concepts employed in everyday moral decision making and the way in which these are discussed by philosophers Dr Johnston examines ways of eliminating this discrepancy in order to gain a clearer picture of the proper nature of moral claims and at the same time provides new insights into Wittgenstein's conception of philosophy

Wittgenstein and Moral Philosophy (Routledge Revivals) Paul Johnston, 2014-04-08 Wittgenstein's philosophical achievement lies in the development of a new philosophical method rather than in the elaboration of a particular philosophical system Dr Paul Johnston applies this innovative method to the central problems of moral philosophy whether there can be truth in ethics or what the meaning of objectivity might mean in the context of moral deliberation Wittgenstein and Moral Philosophy first published in 1989 represents the first serious and rigorous attempt to apply Wittgenstein's method to ethics The conclusions arrived at differ radically from those dominating contemporary ethical discussion revealing an immense discrepancy between the ethical concepts employed in everyday moral decision making and the way in which these are discussed by philosophers Dr Johnston examines ways of eliminating this discrepancy in order to gain a clearer picture of the proper nature of moral claims and at the same time provides new insights into Wittgenstein's conception of philosophy

Wittgenstein's Pre-Tractatus Writings Jimmy Plourde, Mathieu Marion, 2024-09-01 This volume brings into focus the unique philosophical and historical importance of Wittgenstein's pre Tractatus writings These contributed essays show that Wittgenstein's earliest writings are worth studying for their own sake They also reveal how much one can still learn about the Tractatus if we are to study these early writings not as documenting one's prior interpretation of the Tractatus but as a series of steps in Wittgenstein's thought some down paths that are later abandoned some leading towards it The volume thus offers not only a fresh perspective on the pre Tractatus writings but also a comprehensive reading of a wide range of central topics from the very first letters the Notes on Logic the Notes dictated to G E Moore to the three surviving war time notebooks

Community and Ideology (Routledge Revivals) Raymond Plant, 2009-09-10 Initially published in 1974 this is a work of applied social and political philosophy which relates the philosophical analysis to various forms of community work theory and practice Raymond Plant emphasizes that community has a wide range of both descriptive meanings and evaluative connotations linking this dual role of the word in the description

and evaluation of social experience to its history in ideological confrontations The book takes account of some liberal criticisms of the community ideal and finally seeks to re state a theory of community compatible with a liberal ideology

Wittgenstein's Intentions (Routledge Revivals) Stuart Shanker, John Canfield, 2014-04-08 Wittgenstein's Intentions first published in 1993 presents a series of essays dedicated to the great Wittgenstein exegete John Hunter The problematic topics discussed are identified not only by Wittgenstein's own philosophical writings but also by contemporary scholarship areas of ambiguity perhaps even confusion as well as issues which the father of analytic philosophy did not himself address The difficulties involved in speaking cogently about religious belief suspicion consciousness the nature of the will the coincidence of our thoughts with reality and transfinite numbers are all investigated as well as a variety of other intriguing questions why can't a baby pretend to smile How do I know what I was going to say Wittgenstein's Intentions is an invaluable resource for students of Wittgenstein as well as scholars and opens up a wide horizon of philosophical questioning for those as yet unfamiliar with this style of reasoning

Broad's Critical Essays in Moral Philosophy (Routledge Revivals) David Cheney, 2013-10-18 The ideas of C D Broad have affected the work of moral philosophers throughout the twentieth century to the present day First published in 1971 this edited volume contains Broad's best essays on the philosophical problems of Ethics mostly written and published between 1914 and 1964 Among the essays are Broad's important critiques of G E Moore's ethical theory his lecture entitled Determinism Indeterminism and Libertarianism and other pieces discussing topics as broad as Conscience Egoism and Free Will This reissue serves as an important companion to Broad's other works a number of which have also been reissued within the Routledge Library Editions series and will be invaluable to students interested in Broad's theories and twentieth century philosophical thought

Friendship, Altruism and Morality (Routledge Revivals) Laurence A. Blum, 2009-12-15 Friendship Altruism and Morality originally published in 1980 gives an account of altruistic emotions compassion sympathy concern and friendship that brings out their moral value Blum argues that moral theories centered on rationality universal principle obligation and impersonality cannot capture this moral importance This was one of the first books in contemporary moral philosophy to emphasize the moral significance of emotions to deal with friendship as a moral phenomenon and to challenge the rationalism of standard interpretations of Kant although Blum's sentimentalism owes more to Schopenhauer than to Hume It was a forerunner to care ethics and feminist ethics more generally to virtue ethics and to subsequent influential interpretations of Kant that attempted to room for altruistic emotion and friendship and other forms of particularism and partialism In addition the work has been widely influential in religious studies political theory bioethics and feminist ethics

Morality and Moral Reasoning (Routledge Revivals) John Casey, 2013-09-13 First published in 1971 the five essays in this book were written by young philosophers at Cambridge at that time They focus on two major questions of ethical theory What is it to judge morally and What makes a reason a moral reason The book explores the relation of moral judgements to attitudes emotions and beliefs as well as the

notions of expression agency and moral responsibility

Morality and Objectivity (Routledge Revivals) Ted

Honderich, 2013-09-05 The late J L Mackie and his work were a focus for much of the best philosophical thinking in the Oxford tradition His moral thought centres on that most fundamental issue in moral philosophy the issue of whether our moral judgements are in some way objective The contributors to this volume first published in 1985 are among the most distinguished figures in moral philosophy and their essays in tribute to John Mackie present views at the forefront of the subject Five of the essays give a new understanding of the objectivity of moral judgements These are by Simon Blackburn R M Hare John McDowell Susan Hurley and Bernard Williams The remaining contributors Philippa Foot Steven Lukes Amartya Sen David Wiggins give their attention to problems which are equally compelling such as the defence of a moral outlook based on a conception of a need and of what follows from it The volume also includes the addresses given by Simon Blackburn and George Cawkwell at the memorial service for John Mackie and a list of his publications compiled by Joan Mackie

Contemporary French Philosophy (Routledge Revivals) Colin Smith, 2010-10-18

First published in 1964 this is not just a chronicle or encyclopaedia but deals thoroughly in turn with meaning view about reason and views about values particularly moral values The author's knowledge of French literature is extensive and thorough and a feature of the book is his analysis of the philosophical implications of literary works by Sartre Paul Valéry Camus and others

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **Wittgenstein And Moral Philosophy Routledge Revivals** . Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Wittgenstein And Moral Philosophy Routledge Revivals eBooks, including some popular titles.

FAQs About Wittgenstein And Moral Philosophy Routledge Revivals Books

What is a Wittgenstein And Moral Philosophy Routledge Revivals PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Wittgenstein And Moral Philosophy Routledge Revivals PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Wittgenstein And Moral Philosophy Routledge Revivals PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Wittgenstein And Moral Philosophy Routledge Revivals PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Wittgenstein And Moral Philosophy Routledge Revivals PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
