Woman And The Demon The Life Of A Victorian Myth

**Ellen L.K. Toronto, Joann
Ponder, Kristin Davisson, Maurine
Kelber Kelly**

Woman And The Demon The Life Of A Victorian Myth:

Woman and the Demon Nina Auerbach, 1982 Analyzes the Victorian conception of both demonic and divine nature of women in Victorian art and literature Reclaiming Myths of Power Ruth Y. Jenkins, 1995 This book re examines the Victorian spiritual crisis from the perspective of the period s women writers exploring the spiritual dimension in their lives and narratives The introduction considers the relationship between sacred and secular canons and the limited access women have had to both In the following chapters case studies of the lives and selected texts of Florence Nightingale Charlotte Bronte Elizabeth Gaskell and George Eliot provide an in depth analysis of the relationship between female spiritual crises and diverse narrative strategies that reappropriate the conservative power associated with religious symbolism for a radical revisioning of women s social subjection By analyzing the neglected spiritual crises these women experienced their discourse and that produced by other Victorian women this study reveals a more complex problematic and polemical dialogue during the period than has previously been argued BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Demon-Lovers and Their Victims in British Fiction* Toni Reed, 2014-07-11 The hero of the story is a demonic lover dark handsome mysterious and dangerously seductive The heroine beautiful and innocent willingly becomes his victim and is destroyed by him This story of demon lover and victim always charged with passion has been told over and over from Greek mythology through contemporary fiction and films *Demon Lovers and Their Victims in British Fiction* is the first historical and structural exploration of the demon lover motif with emphasis on major works of British fiction from the eighteenth nineteenth and twentieth centuries it will interest those concerned with gender role conflicts in literature and with the mutual influence of oral and written texts of folklore and formal literature *A Womb of Her Own* Ellen L.K. Toronto, Joann Ponder, Kristin Davisson, Maurine Kelber Kelly, 2017-02-03 Gender and body based distinctions continue to be a defining component of women s identities both in psychoanalytic treatment and in life Although females have made progress in many areas their status within the human community has remained unstable and subject to societal whim *A Womb of Her Own* brings together a distinguished group of contributors to explore from a psychoanalytic perspective the ways in which women s sexual and reproductive capabilities and their bodies are regarded as societal and patriarchal property not as the possession of individual women It further examines how women have been viewed as the other and thus become the focus of mistreatment such as rape sexual slavery restriction of reproduction rights and ongoing societal repression Postmodern gender theories have greatly enhanced understanding of the fluidity of gender and freed women from repressive stereotypes but attention has shifted prematurely from the power differential that continues to exist between men and women Before the male female binary is transcended the limitations imposed upon women by the still prevailing patriarchal order must be addressed To this end *A Womb of Her Own* addresses issues such as the prevalence of rape culture and its historical roots the relationship of the LGBT movement to feminism current sexual practices such as sexting and tattooing and their meaning

to women reproductive issues including infertility adoption postpartum depression and the actual experience of birthing all from the perspectives of women The book also explores the cultural definitions of motherhood and how such definitions set exacting standards both for the acceptable face of motherhood and for women generally While women s unique anatomy and biology have historically contributed to their oppression in a patriarchal society it is the exploration and illumination of these capabilities from their own perspective that will allow women to claim and control them as their own Covering a broad topical range of contemporary subjects *A Womb of Her Own* will appeal to psychoanalysts psychoanalytic psychotherapists as well as scholars and students of gender and women s studies

The 'I' of the Camera William Rothman, 2004 Originally published in 1988 *The I of the Camera* has become a classic in the literature of film Offering alternatives to the viewing and criticism of film William Rothman challenges readers to think about film in adventurous ways that are more open to movies and our experience of them In a series of eloquent essays examining particular films filmmakers genres and movements and the Americanness of American film Rothman argues compellingly that movies have inherited the philosophical perspective of American transcendentalism This second edition contains all of the essays that made the book a benchmark of film criticism It also includes fourteen essays written subsequent to the book s original publication as well as a new foreword The new chapters further broaden the scope of the volume fleshing out its vision of film history and illuminating the author s critical method and the philosophical perspective that informs it

Voicing the Self Carmen Rueda Ramos, 2011-11-28 Este libro analiza la manera con la que Lee Smith ha dado voz a todos los aspectos de su experiencia tanto como mujer artista que vive en la Am rica contempor nea como nativa de la Appalachia una regi n sure a que todav a conserva un fuerte sentimiento de la tradici n oral y de v nculos con la comunidad Smith revisa y altera el lenguaje y los mitos que han condicionado sus b squedas de la identidad y han silenciado sus voces Al realizarlo explora la relaci n entre el hero smo femenino y la creatividad de las mujeres como algo distinto a la de los hombres En su lucha las hero nas de Smith reflejan el desarrollo personal y art stico de la escritora La relaci n conflictiva de sus personajes femeninos con la auto afirmaci n y con el mundo de la Appalachia revela los propios sentimientos ambivalentes de Smith hacia el concepto de individualidad y hacia sus ra ces culturales

Arthur O'Shaughnessy, A Pre-Raphaelite Poet in the British Museum Jordan Kistler, 2016-02-26 Arthur O Shaughnessy s career as a natural historian in the British Museum and his consequent preoccupation with the role of work in his life provides the context with which to reexamine his contributions to Victorian poetry O Shaughnessy s engagement with aestheticism socialism and Darwinian theory can be traced to his career as a Junior Assistant at the British Museum and his perception of the burden of having to earn a living outside of art Making use of extensive archival research Jordan Kistler demonstrates that far from being merely a minor poet O Shaughnessy was at the forefront of later Victorian avant garde poetry Her analyses of published and unpublished writings including correspondence poetic manuscripts and scientific notebooks demonstrate O Shaughnessy s importance to the cultural milieu of the 1870s particularly his contributions to English

aestheticism his role in the importation of decadence from France and his unique position within contemporary debates on science and literature *Family Values and Family Justice* Michael Freeman, 2017-05-15 This volume collects together Michael Freeman's work on the family and society and the part law plays in defining structuring and controlling it He questions the role of family law and its interface with family values as well as the rights and best interests of children Responsible parenthood is examined as well as the relationship between family law and medical law examining surrogacy and saviour siblings On adult relations the volume centres on domestic violence same sex marriage and alternative dispute resolution Finally he examines the relationship between law and religion focusing on Jewish divorce and the role of the state The book is essential reading for scholars and students of family law as well as those interested in gender and patriarchy law and feminism rights and dispute resolution *American Women's Autobiography* Margo Culley, 1992 Focus on the works of Harriet Jacobs Elizabeth Cady Stanton Gertrude Stein Mary McCarthy Maxine Hong Kingston and others

Interconnecting Music and the Literary Word Fausto Ciompi, Roberta Ferrari, Laura Giovannelli, 2018-07-27 Dealing with the interconnections between music and the written word this volume brings into focus an updated range of analytical and interpretative approaches which transcend the domain of formalist paradigms and the purist assumption of music's non referentiality Grouped into three thematic sections these fifteen essays by Italian British and American scholars shed light on a phenomenological network embracing different historical socio cultural and genre contexts and a variety of theoretical concepts such as intermediality the soundscape notion and musicalisation At one end of the spectrum music emerges as a driving cultural force an agent cooperating with signifying and communication processes and an element functionally woven into the discursive fabric of the literary work The authors also provide case studies of the fruitful musico literary dialogue by taking into account the seminal role of composers singer songwriters and performers From another standpoint the music in literature and literature in music dynamics are explored through the syntax of hybridisations transcoding experiments and iconic analogies
