Lindsey, David Michael, 2005 **The Woman and the Dragon in Premodern Art** Sharon Khalifa-Gueta, 2025-10-01 The motif of the woman and the dragon has been prevalent in Western art since antiquity yet has hitherto remained understudied and artworks featuring this motif in Western Mediterranean cultures have been examined primarily in relation to the topos of the male dragon slayer This book analyzes artistic images of women and dragons over an extensive period from Classical Greece and Rome with forays to Egypt and Mesopotamia to the early modern period in Western Europe The unique methodology employed in the study of this motif reveals its sacred core as well as its relationship to rituals of fertility and oracular knowledge to the liminal realm between life and death and to the symbolism of Great Mother goddesses At the same time the images explored throughout expose stereotypes and biases against women in unusual positions of power which were embedded in the motif and persisted in Western European art **Be Not Afraid to Follow the Footprints from Heaven**

John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life **The Encyclopedia of Religious Phenomena** J Gordon Melton, 2007-09-01 An inspiring

and fascinating look at people's religious experiences and beliefs Visions of Mary and glimpses of God Miraculous apparitions witnessed by hundreds in parking lots along freeways and at the world's holiest sites Weeping statues exorcisms near death experiences mystical labyrinths and more than 250 other unusual and unexplained phenomena apparitions and extraordinary experiences rooted in religious beliefs are explored in *The Encyclopedia of Religious Phenomena* J Gordon Melton the Distinguished Professor of American Religious History at the Institute for Studies of Religion Baylor University takes readers on a tour among angels Marian apparitions and religious figures such as Jesus the Buddha Muhammad and Tao Tzu Melton reports on dreams feng shui statues that bleed snake handling speaking in tongues stigmata relics including the Spear of Longinus and the Shroud of Turin and sacred locales such as Easter Island the Glastonbury Tor the Great Pyramids Mecca Sedona and much more Each entry includes a description of a particular phenomenon and the religious claims being made about it as well as a discussion of what scientists say about it Transcending the mundane the entries take no sides on who is right or wrong the journey is the experience and the experience is the journey This fascinating encyclopedia is illustrated with 100 pictures and includes a detailed index and additional reading recommendations It lets you experience the marvels of weeping statues and icons exorcisms and ecstasy the grilled cheese sandwich kit for making your own Virgin Mary image and so much more

**Fatima for Today** Andrew Apostoli, 2010 Though the apparitions of Our Lady of Fatima took place almost a hundred years ago Our Lady's call to prayer and penance for the salvation of souls and peace in the world is as relevant now as when first delivered to three Portuguese peasant children in 1917 At the peak of the First World War our Lady warned of another worldwide conflict the rise and spread of Communism and a terrible persecution of the Church unless people repented of their sins and returned to God She also requested devotion to her Immaculate Heart and a special consecration of Russia Much of what Our Lady of Fatima said was revealed soon after her appearances but the third and final secret which was not a message but a prophetic vision seen by the children was not unveiled by the Vatican until 2000 Pope John Paul II who read the third secret while recovering from the attempt upon his life in 1981 believed the vision signified the sufferings the Church had endured in the twentieth century Because of the prophetic nature of her messages Our Lady of Fatima has been the subject of much controversy and speculation In this book Father Andrew Apostoli carefully analyzes the events that took place in Fatima and clears up lingering questions and doubts about their meaning He also challenges the reader to hear anew the call of Our Lady to prayer and sacrifice for the world is ever in need of generous hearts willing to make reparation for those in danger of losing their way to God
