Women And Immigration Law Women And Immigration Law:

Women and Immigration Law Thomas Spijkerboer, Sarah Van Walsum, 2007-03-12 In the current political context immigration law is being addressed primarily as a security issue Gender is addressed as an issue from the State's perspective leading to restrictive policies This book analyzes and evaluates current developments in immigration law in Europe from the perspective of the women involved Shades of Grey - Domestic and Sexual Violence Against Women Anna Carline, Patricia Easteal, 2014-09-19 Arguing that law must be looked at holistically this book investigates the hidden gender of the so called neutral or objective legal principles that structure the law addressing violence against women Adopting an explicitly feminist perspective it investigates how legal responses to violence against women presuppose maintain and perpetuate a certain context that may not in fact reflect women's experiences Carline and Easteal draw upon relevant legislation case law and secondary studies from a range of territories including Australia England and Wales the United States Canada and Europe to contextualize and critique different policy responses They go on to examine the potential and limits of law making recommendations for best practice models of policymaking and law reform Aiming to help improve government community and legal responses to women who experience violence *Shades of Grey Domestic and Sexual Violence Against Women Law Reform and Society* will assist law makers academics policymakers and a wider audience in understanding the complexities of violence against women *Asian/Pacific Islander American Women* Shirley Hune, Gail M. Nomura, 2003-08 A groundbreaking anthology devoted to Asian Pacific Islander American women and their experiences *Asian Pacific Islander American Women* is the first collection devoted to the historical study of API women's diverse experiences in America Covering a broad terrain from pre large scale Asian emigration and Hawaii in its pre Western contact period to the continental United States the Philippines and Guam at the end of the twentieth century the text views women as historical subjects actively negotiating complex hierarchies of power The volume presents new findings about a range of groups including recent immigrants to the U S and understudied communities Comprised of original new work it includes chapters on women who are Cambodian Chamorro Chinese Filipino Hmong Japanese Korean Native Hawaiian South Asian and Vietnamese Americans It addresses a wide range of women's experiences as immigrants military brides refugees American born lesbians workers mothers beauty contestants and community activists There are also pieces on historiography and methodology and bibliographic and video documentary resources This groundbreaking anthology is an important addition to the scholarship in Asian Pacific American studies ethnic studies American studies women's studies and U S history and is a valuable resource for scholars and students Contributors include Xiaolan Bao Sucheng Chan Catherine Ceniza Choy Vivian Loyola Dames Jennifer Gee Madhulika S Khandelwal Lili M Kim Nancy In Kyung Kim Erika Lee Shirley Jennifer Lim Valerie Matsumoto Sucheta Mazumdar Davianna Pomaika i McGregor Trinity A Ordonia Rhacel Salazar Parre as Amy Ku uleialoha Stillman Charlene Tung Kathleen Uno Linda Trinh V Judy Tzu Chun Wu Ji Yeon Yuh and Judy Yung State and Local

The Oxford Handbook of American Women's and Gender History
Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault *The Oxford Handbook of American Women's and Gender History* boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

The Handbook of Race, Ethnicity, Crime, and Justice
Ramiro Martinez, Jr., Meghan E. Hollis, Jacob I. Stowell, 2018-06-19 This Handbook presents current and future studies on the changing dynamics of the role of immigrants and the impact of immigration across the United States and industrialized and developing nations It covers the changing dynamics of race ethnicity and immigration and discusses how it all contributes to variations in crime policing and the overall justice system Through acknowledging that some groups especially people of color are disproportionately influenced more than others in the case of criminal justice reactions the War on Drugs and hate crimes this Handbook introduces the importance of studying race and crime so as to better understand it It does so by recommending that researchers concentrate on ethnic diversity in a national and international context in order to broaden their demographic and expand their understanding of how to attain global change Featuring contributions from top experts in the field *The Handbook of Race and Crime* is presented in five sections An Overview of Race Ethnicity Crime and Justice Theoretical Perspectives on Race and Crime Race Gender and the Justice System Gender and Crime and Race Gender and Comparative Criminology Each section of the book addresses a key area of research summarizes findings or shortcomings whenever possible and provides new results relevant to race crime and justice Every contribution is written by a top expert in the field and based on the latest research With a sharp focus on contemporary race ethnicity crime and justice studies *The Handbook of Race and Crime* is the ideal reference for advanced undergraduate students graduate students and scholars

interested in the disciplines such as Criminology Race and Ethnicity Race and the Justice System and the Sociology of Race

Lectures on the Psychology of Women Joan C. Chrisler, Carla Golden, 2018-01-12 Twenty two distinct essays prepared especially for Lectures on the Psychology of Women present readers with topics often not covered in depth in standard texts Essays are written by feminist psychologists all of whom are active and committed teachers and researchers within the psychology of women More than half the lectures are new to this edition and the others have been significantly updated to include recent research and contemporary examples The book's organization aligns with core texts making it ideal supplemental reading However each lecture stands alone so instructors can assign readings to meet their own course needs Part I on the diversity of women includes lectures on women with disabilities social class immigration relational race privilege aging sexual fluidity and mothering Part II delves into body images and female embodiment with lectures covering such topics as the sexualization of girls PMS weight and body image media representations of Black women genital anxieties and the hairless ideal Part III addresses women's physical and mental health with lectures on depression multicultural therapy Black women's health in the U S and institutional corruption in psychiatry Part IV focuses on discrimination control and violence against women with lectures on slut shaming online gender harassment and microaggressions Part V on social justice and activism includes lectures on awareness of intersectional identities and the relation between the psychology of women and feminist activism

Proceedings of The 7th International Conference on Gender Research Ana Isabel Azevedo, The International Conference on Gender Research ICGR is a well established academic conference that has been held annually for seven years bringing together scholars practitioners and researchers from around the world to explore diverse issues related to gender This conference provides a multidisciplinary platform where participants are encouraged to engage in discussions and present research findings on various aspects of gender studies The diversity of the research discussed and the participants involved in the event is an important reflection on how Gender Studies impact all corners of life The International Conference on Gender Research has developed into a comprehensive forum that addresses a wide range of topics related to gender making it a key event for those engaged in gender studies and related fields The published conference proceedings from these events serve as a valuable resource for ongoing research and scholarship in the area of gender research The Proceedings of the 8th International Conference on Gender Research 2025 includes Academic research papers PhD research papers Masters and work in progress papers which have been presented and discussed at the ICGR conference The proceedings are of an academic level appropriate to a professional research audience including graduates postgraduates doctoral and post doctoral researchers All papers have been double blind peer reviewed by members of the Review Committee
