The quiet contemporary American novel Rachel Sykes, 2017-12-01 This book explores the concept of quiet an aesthetic of narrative driven by reflective principles and argues for the term's application to the study of

contemporary American fiction In doing so it makes two critical interventions Firstly it maps the neglected history of quiet fictions arguing that from Hester Prynne to Clarissa Dalloway from Bartleby to William Stoner the Western tradition is filled with quiet characters Secondly it asks what it means for a novel to be quiet and how we might read for quiet in an American literary tradition that critics so often describe as noisy Examining recent works by Marilynne Robinson Teju Cole and Ben Lerner among others the book argues that quiet can be a multi faceted state of existence one that is communicative and expressive in as many ways as noise but filled with potential for radical discourse by its marginalisation as a mode of expression

The Nearest Thing to Life James Wood,2015-04-28 In this remarkable blend of memoir and criticism James Wood noted contributor to the New Yorker has written a master class on the connections between fiction and life He argues that of all the arts fiction has a unique ability to describe the shape of our lives and to

rescue the texture of those lives from death and historical oblivion The act of reading is understood here as the most sacred and personal of activities and there are brilliant discussions of individual works among others Chekhov s story The Kiss W G Sebald s The Emigrants and Penelope Fitzgerald s The Blue Flower Wood reveals his own intimate relationship with the written word we see the development of a provincial boy growing up in a charged Christian environment the secret joy of his childhood reading the links he makes between reading and blasphemy or between literature and music The final section discusses fiction in the context of exile and homelessness The Nearest Thing to Life is not simply a brief tightly argued book by a man commonly regarded as our finest living critic it is also an exhilarating personal account that reflects on and embodies the fruitful conspiracy between reader and writer and critic and asks us to reconsider everything that is at stake when we read and write fiction
