Vademecum Ilustrado Del Traductor:

Vademécum ilustrado del traductor Juan Carlos Ciordia, Mikel Garmendia, 1999 Fichero bibliográfico hispanoamericano ,1985 **España y América** ,1910 *Historia de las izquierdas en España* Juan Sisinio Pérez Garzón, 2022-11-03 Este libro presenta la primera historia concatenada de más de dos largos siglos de luchas de las izquierdas en España. Permitir comprender la complejidad de cuantos actores de todo signo: partidos, sindicatos, periodistas, publicistas, propagandistas, subversivos, hombres y mujeres, han impulsado y ampliado libertades y derechos sociales, han rotulado las constituciones más democráticas de nuestra historia y han cimentado el actual Estado del bienestar de la misma manera han sumado también errores y acciones injustificables. Por eso este texto describe la trayectoria y evolución de las izquierdas a sabiendas de que su definición no es ni absoluta ni estática sino que designa diferentes contenidos según los tiempos y las situaciones. Se analizan las izquierdas con una mirada acumulativa. Arranca con las aportaciones de los liberales decimonónicos, luego ampliadas por republicanos, de orden socialistas, utópicos y populistas, que abrieron las compuertas a la democracia. El afán de construir una sociedad más justa e igualitaria considerándose portadores del progreso social se acrecentó con sindicalistas y dirigentes obreros, con partidos y organizaciones reformistas y revolucionarias. A todos la guerra civil de 1936 y la larga dictadura posterior cambiaron radicalmente sus vidas y sus respectivas estrategias. La historia se prolonga hasta el presente con una novedad significativa: se incluye en cada época la lucha de las mujeres por conquistar su libertad e igualdad. Se aprende en suma que no existe grupo o ideario que pueda atribuirse la genuina y exclusiva expresión de la izquierda en un momento concreto y que por tanto la descalificación absoluta de los demás competidores constituye un callejón sin salida. Juan Sisinio Pérez Garzón es catedrático emérito de Historia Contemporánea en la Universidad de Castilla-La Mancha.
