Richard Humphreys

Valera Long Fellow Shadow Ebook:

The Treaty Gretchen Friemann, 2021-11-10 On the morning of 11 October 1921 the world's media watched as Michael Collins leader of the Irish murder gang bounded through the door of 10 Downing Street Moments later he shook hands with the British Prime Minister So began the first day of the most important political negotiations in modern Anglo Irish history Nearly two months later in the early hours of 6 December 1921 the talks culminated in the signing of what in Ireland is known simply as the Treaty a document that had been designed to end one violent conflict but which soon gave rise to another A century on from its signing award winning journalist Gretchen Friemann has produced a gripping account of the tense and protracted negotiations between the Irish and British delegations shining a fresh light on the complex politics and high stakes bargaining that produced the agreement A stunningly vivid piece of narrative history that resonates across the intervening century to the age of Brexit The Treaty is a must read for anyone who wishes to understand modern Ireland and the enduring complexities of British Irish relations

After Misogyny Julie C. Suk, 2024-04-30 Decades after liberal constitutional democracies ended the laws of patriarchy and committed to gender equality misogyny still pervades women's lives Often expressed as hatred and discrimination against women misogyny is the legal aftermath of patriarchy which goes beyond attacking and belittling women After Misogyny reframes misogyny as society's overentitlement to women's forbearance and sacrifices which continues to be expressed in the law even after patriarchy has been repudiated Women's contributions both inside and outside the home are radically undercompensated and highly beneficial to society especially the reproductive work of childbearing and childrearing From antidiscrimination law to abortion bans the law fails women by keeping the dynamics of social overentitlement and male overempowerment invisible In recent years many constitutional democracies have used new processes of constitution making and constitutional change to reset entitlements and power After Misogyny shows how movements to reset these baseline entitlements are necessary for constitutional democracies to overcome misogyny

A Nation and not a Rabble Diarmaid Ferriter, 2015-03-05 Packed with violence political drama and social and cultural upheaval the years 1913-1923 saw the emergence in Ireland of the Ulster Volunteer Force to resist Irish home rule and in response the Irish Volunteers who would later evolve into the IRA World War One the rise of Sinn Féin intense Ulster unionism and conflict with Britain culminated in the Irish war of Independence which ended with a compromise Treaty with Britain and then the enmities and drama of the Irish Civil War Drawing on an abundance of newly released archival material witness statements and testimony from the ordinary Irish people who lived and fought through extraordinary times A Nation and not a Rabble explores these revolutions Diarmaid Ferriter highlights the gulf between rhetoric and reality in politics and violence the role of women the battle for material survival the impact of key Irish unionist and republican leaders as well as conflicts over health land religion law and order and welfare

Tomorrow with Bayonets Derek Molyneux, Darren Kelly, 2024-04-01 The raw intensity of the Irish Civil War is brought to life in this gripping

fast paced journey from July 1921 to July 1922 a year of change and conflict Dublin's descent into violent unrest surpasses the turbulence of the Easter Rising Treaty debates spark dissension and as tensions mount Dublin becomes a tinderbox of espionage betrayal and guerrilla warfare Former allies who fought shoulder to shoulder in the IRA now find themselves divided and entrenched in an ideological struggle that threatens to tear Dublin and Ireland apart More than a historical recount Tomorrow With Bayonets offers a visceral portrayal of a nation grappling with its identity and sovereignty seen through the eyes of combatants leaders and civilians caught in the crossfire The Provisional Government's National Army and the IRA engage in sporadic but fierce clashes as unrelenting violence and chaos engulf the country In Northern Ireland there is growing disillusionment among IRA units due to the diminishing credibility of assurances from Michael Collins Ongoing assaults on their communities the nationalist population experiences a rising number of casualties due to rampant brutality from unionist militias A suppression of inquiries into killings leads to a widespread feeling of abandonment by the Provisional Government On June 4 1922 the Provisional Government implemented a policy of peaceful obstruction towards the Belfast Government explicitly forbidding any troops from the twenty six counties from entering the six county area In an apocalyptic climax Dublin is engulfed in explosions assassinations and relentless urban warfare This powerful account not for the faint hearted leaves a lasting impact resonating with the reader long after the final page *Beyond the Border* Richard

Humphreys,2018-07-09 The Brexit vote for UK withdrawal from the EU has put the constitutional future of Northern Ireland centre stage once again *Beyond the Border* is an authoritative timely and up to date guide to the provisions of the Good Friday Agreement A compelling and accessible exploration of how the Agreement can be upheld despite Brexit uncertainties and implemented despite political deadlock it powerfully argues for the permanence of the Agreement and its cross community approach even in the event of the achievement of Irish unity It comprehensively explains the radical implications of the principle of parity of esteem between the traditions and how the conflicting aspirations of nationalists and unionists can be accommodated At a time of seismic constitutional transition it outlines the milestones on the pathway to a united Ireland by consent as envisaged by the Agreement The Good Friday Agreement was endorsed by 71 per cent of voters in Northern Ireland and by 94 per cent in the rest of Ireland Despite huge difficulties in implementation this book contends that the Agreement remains a cornerstone of Ireland's constitutional settlement *Beyond the Border* is a vital and objective exploration of how the Agreement provides a peaceful path towards resolving Ireland's ultimate constitutional dilemma

Is Ireland Neutral? Conor Gallagher,2023-06-08 Neutrality has supposedly long been a pillar of the Irish national identity a policy that the country has proudly presented on the world stage But examining the concept reveals it to be a vague and elastic notion one that throughout history various governments have been happy to stretch or in some cases abandon entirely Today warfare has expanded to include cyberattacks environmental concerns election interference and disinformation If our traditional idea of warfare is changing should our idea of neutrality change too In this timely and

thought provoking examination of a core tenet of Irish society Conor Gallagher explores the practical and ethical implications of choosing a side asking in the face of aggression is it right to sit back and do nothing British and Irish diasporas Donald MacRaild,Tanja Bueltmann,J. C. D. Clark,2019-01-07 People from the British and Irish Isles have for centuries migrated to all corners of the globe Wherever they went the English Irish Scots Welsh and and even sub national supra regional groups like the Cornish co mingled blended and blurred Yet while they gradually integrated into new lives in far flung places British and Irish Isle emigrants often maintained elements of their distinctive national cultures which is an important foundation of diasporas Within this wider context this volume seeks to explore the nature and characteristics of the British and Irish diasporas stressing their varying origins and evolution the developing attachments to them and the differences in each nation s recognition of their own diaspora The volume thus offers the first integrated study of the formation of diasporas from the islands of Ireland and Britain with a particular view to scrutinizing the similarities differences tensions and possibilities of this approach **The Long Shadow** Celia Fremlin,2005 *The Book of the New Sun* Gene Wolfe,2011
