Vanguard The Movement And Direction Of The Gospel:

Vanguard Duncan Robinson, 2015-07-15 The Vanguard are the forward force in an Army The Vanguard are the leaders of innovation The Vanguard sit on the front lines preparing the way Highly adaptive pro active and willing to innovate at a moment s notice What if these were the essential qualities of the Church living out the great commission What if instead of playing defense we decided to shift our focus from rear guard and become the Vanguard The good news of Jesus has only one direction The gospel moves forward The Church should herald that good news with the same passion and vigor that Christ did the first time he proclaimed truth This short book is a word of encouragement to herald the gospel of Jesus with a Vanguard heart The Front Line of the Sunday School Movement Francis Nathan Peloubet, 1904 *Mrs. Stanton's Bible* Kathi Kern, 2018-09-05 Mrs Stanton s Bible traces the impact of Elizabeth Cady Stanton s religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the Woman s Bible Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women s right to vote Yet she spent the last two decades of her life working for another cause women s liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church s stifling authority over women s lives In 1895 she collaboratively authored this biblical exegesis just as the women s movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the Woman s Bible itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts **Catalog of Copyright Entries** Library of Congress. WORK Christian T Collins Winn examines the role played by the Pietist pastors Johann Christoph Blumhardt 1805 1880 and Christoph Friedrich Blumhardt 1842 1919 in the development of Karl Barth s theology The disparate theological themes and dynamics of the two Blumhardts were crystallized in their eschatology and Collins Winn argues that as early as 1916 Barth had appropriated this Blumhardtian eschatological deposit in ways fundamental to his own theological development Against the grain of current Barth scholarship this book establishes how the theology of the Blumhardts though critically reconstructed was not merely an episodic influence on Barth s work Instead the Blumhardts had a complex and enduring impact on Barth such that their imprint can be detected even in the mature theology of his Church Dogmatics In treading new ground into Barth s theological formation Jesus Is Victor represents an important contribution to the field of Barth studies
