Training And Eating The Vince Gironda Way:

Training and Eating the Vince Gironda Way Greg Sushinsky, 2015-03-16 Vince Gironda the name resounds throughout bodybuilding still This accomplished bodybuilder and master trainer left a wealth of ideas and methods on training and nutrition that still has relevance today Though many of Vince s concepts are known they re often not well understood That s where this little book comes in Originally written as two separate articles on Gironda s training and nutrition they ve been combined due to readers requests This modest volume of concentrated material gives a condensed introduction of Vince s principles on training and nutrition for beginning bodybuilders yet there are also surprising insights on Vince s methods and ways to apply them even for advanced bodybuilders This handy guide takes you on a quick trip through Vince s methods of training including some of the exercises he used and why he used them Also featured is a unique physique analysis which bodybuilders can apply to their own training The nutrition section features clear explanations of Vince s dietary principles and how to apply them There are also insights into the reasons for the exercises and diets Rarely has Vince s material been tied together so clearly so concisely in ways that shows how to apply it Natural bodybuilders especially will find this volume helpful Anyone searching for better drug free ways to train and eat will be able to apply these methods to their bodybuilding The author an experienced natural bodybuilder and trainer has spent years researching using and experimenting with Vince s methods and brings his insights to you in this book Many advanced bodybuilders who are experts in the methods of Vince Gironda have praised this book as a little gem Get in on the Vince Gironda training and eating ways right now

Eating the Vince Gironda Way Greg Sushinsky, 2015-02-28 There is much confusion about the nutritional principles of legendary bodybuilding trainer Vince Gironda In this short article much of that confusion is cleared up It features clear explanations of Vince Gironda s nutritional approach and some ideas as to how to apply this to your own eating It s especially helpful for beginners or those unfamiliar with Vince s approach to nutrition but there is also insight for more advanced bodybuilders Many bodybuilders understand bits and pieces of Vince Gironda s nutrition but this article helps tie together the principles Experienced bodybuilders who read this often gain a better understanding of how to apply Vince s ideas on nutrition to their own eating Lots of great info packed into a few pages This article is a little gem Approximately 8 typed pages 4000 words

Training and Eating the Steve Reeves Way Greg Sushinsky, 2016-06-21 The incomparable figure of Steve Reeves stands astride bodybuilding history so much so that some are not even sure he was real Rest assured though Steve Reeves and the magnificent physique he created some would say the greatest ever in bodybuilding was plenty real While many others admire Reeves and the physique he created the legacy of his type of physique has been obscured by the different direction modern bodybuilding has taken This should no longer be the case Although Reeves left a written legacy of his training and nutrition record many bodybuilders particularly natural bodybuilders still don t quite understand how to apply his principles of nutrition and working out to develop their own physiques That s where this little book comes in We

examine not only Reeves training methods but offer explanations as to why Reeves chose and developed these as well as his unique yet straightforward approach to nutrition The beauty of Reeves approach is that with a little thought these methods can be applied to any drug free bodybuilder for potentially terrific gains In this book you ll learn of Steve Reeves approach to exercise for building his legendary physique as well as some of the exercises Reeves used and why along with ideas on how to adapt these to your own needs and how to adjust your own workouts to construct your own classic natural physique Steve Reeves There s also an examination of Reeves nutrition an often overlooked element of his success and how this approach also can be incorporated by natural bodybuilders In an age of fads and extreme nutrition this re examination of Reeves underrated knowledge and application of his nutritional approach can be a key to unlocking greater gains for natural bodybuilders Take a quick journey with us as we take a look at how the greatest physique in the history of the world got that way and how you too can develop your best physique ever by Training and Eating the Steve Reeves Way *Training the Vince Gironda Way* Greg Sushinsky, 2013 Perhaps no trainer in the history of bodybuilding has been more controversial loved hated disputed ignored embraced or misunderstood than the legendary champion of the lean symmetrical Apollo type physique was What Vince Gironda really seemed to be about was training to create or re create your body Drug free trainers can profit greatly from many of his ideas and even more so from understanding and incorporating his approach His ways and his approach as well as the integrity with which he passionately lived his bodybuilding convictions are his true legacy Though he is gone the wisdom of his ways is still available to us all Approximately 5 typed pages 2300 words The New Rules of Lifting Supercharged Lou Schuler, Alwyn Cosgrove, 2012-12-27 This supercharged new edition of The New Rules of Lifting features all new workouts to build maximum muscle in both men and women Lou Schuler and Alwyn Cosgrove s The New Rules of Lifting The New Rules of Lifting for Women and The New Rules of Lifting for Abs have revolutionized how people lift weights The New Rules of Lifting Supercharged is a total reboot of the weightlifting workout book that launched the series in 2006 packing even more power on every page Featuring ten completely new workouts for both women and men Supercharged emphasizes four major movements that do the most to change the way your body looks feels and performs squat deadlift push and pull In addition Cosgrove s updated total body workout program improves core strength mobility flexibility balance endurance and athleticism all in just three hours a week of exercise Another big change from the original New Rules of Lifting is a self customized workout system Readers can choose their own exercises from a menu for each movement category allowing beginner and advanced lifters to get tremendous results from the same basic plan Each workout ends with a finisher five to ten minutes of fun but high effort drills such as complexes intervals and density training with the choice of the reader s favorite exercises The ultimate guide to total body strengthening this supercharged edition of The New Rules of Lifting will lift readers to stratospheric results **The New Rules of Lifting Supercharged Deluxe** Lou Schuler, Alwyn Cosgrove, 2012-12-27 This supercharged new edition of the super effective weightlifting exercise program
