The Road to Rome Russell R. Standish, Colin D. Standish, 1992 Education of Cancer Healing Vol. V - Explorers Peter Havasi, **Education of Cancer Healing Vol. VII - Heretics** Peter Havasi, 2012 **On the Existence of God** Robert Geis, 2009-11-11 The existence of God raises many questions Geis work addresses queries that arise from the gratuitous claims of empiricism in Hume unfounded assumptions in Kant presumptions of science and the improbabilities it identifies in Darwinism By focusing on number and proportion as intrinsic to material and atomic constituency any argument from chance as instrumental to the cosmos emergence and sustainability becomes invalidated The arguments from contingency and the nature of intellection provide more clarity than the ratio Anselmi for acknowledging a transcendent causality taking the reader to the problem of evil and present day nihilism These concepts present great but not insuperable difficulty for theism Geis argues that evil when one uses it as a means to the betterment of oneself and the world takes on the role commensurate with the doctrine of an omnibenevolent deity Accordingly one can use evil as a means to a greater understanding of God Providence and eternal destiny Education of Cancer Healing Vol. VIII - Martyrs Peter Havasi, Are You Sealed with the Seal of God? Heidi Rau, 2022-01-21 Are You Sealed with the Seal of God A Biblical Perspective on the Seal of God and How to Get It By Heidi Rau There are many views in the world today regarding what people think the seal of God is Are You Sealed with the Seal of God focuses on a biblical view of the seal of God and why it cannot be some of the more traditional views many people believe today Written in an easy to understand language Heidi emphasizes the importance of the seal of God as it determines who is saved and who is not at the coming of Jesus Those who are not sealed will be deceived into obtaining the mark of the beast and will be eternally lost It is vital that we are sealed now before the coming deception that will deceive the whole world Heidi's ultimate goal is for readers to understand what the seal of God is and take the necessary steps to be sealed before it is too late Are you sealed with the seal of God *Profile of a Religious Man* Edwin Zackrison, 2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with
