Captive Beta (Her Vicious Pack 6) Layla Heart,2025-05-07 For weeks Vera and her pack have been spending time together getting to know each other in plenty of ways but now it's time for the next step how

they're going to combine their jobs with their new pack life. After the news that Vera and Mathew's pregnancies are going well, the pack finally seems to be able to think of the future. If they're going to leave the world a better place for the next generation, they've got a lot of work ahead of them, and most of it won't be easy. Tension builds in the pack as Mathew prepares to go on his first mission in months, joined by Riley so she can test how well she works together with Mathew's team. In theory, it should be a simple job: sneak into the research complex, grab some samples, and get back out. But something doesn't feel right. No matter how well Mathew and his team prepare, it's like they're missing crucial information, like someone is hiding something from them. This unease is making Jorge and Mathew clash over and over, though, after Mathew's strong warning, Jorge doesn't try to stop him again. To keep the peace in the pack, Vera takes Jorge out for a movie and dinner on the night of the mission, so Mathew and Riley can leave without any more arguments, and with all the calm and focus they'll need. Everything goes smoothly until Vera disappears from Jorge's side as they walk through a busy street, and Mathew finds much more at the complex than he bargained for. This is the sixth out of twelve novellas following Vera and her mates in the *Her Vicious Pack* series, a dark contemporary reverse harem. Why Choose romance set in a sweet Omegaverse world about a criminal found family empire with dreams of expanding the family. This novella may include any of these elements: steamy scenes, I need tissues NOW moments, cries of why oh why, and cliffhangers that make you bite your nails and curse the author. This series has MF, MM, FF, and group scenes. *Bandersnatch* Jesus Roderick Edwards, A history changer that lets you decide what the most powerful religious leader in history does next. This book is either a theology book trying to be a game or a game trying to be theological. Is it blasphemy or brilliance? Navigate Jesus and other biblical figures through various situations. If you know the Bible, then the outcome will be biblical. If you don't know or don't care what the Bible says, the results will be humorous to horrific. If you're easily offended, then this book is not for you. Come to think of it, in today's WOKE culture, you can't even read children's books without being triggered, so go ahead and give this book a try. *BRUTAL* Willie Dell Davis, IV, 2015-12-21. Brian Farraday never thought that he'd be in a fight for his survival. But here he was with a band of survivors trying to survive and take down a madman, or was it two of them? All that he knew was that his life had taken a turn that he never, never imagined. Ray and Samuel stood between his freedom and, one way or the other, he was going to get it back. When a psychotic madman is kidnapping Atlanta residents, an unwitting hero emerges, forced to confront and dismantle his horror house of crime, death, and mayhem. No one suspected what was going on right under their noses, and when all hell breaks loose, nothing, and no one will ever be the same again. **Tomorrow in All the Worlds** Ron Collins, 2020-02-29.
