To Hell With Culture Chinese Edition:

Chinese Legal Culture and Constitutional Order Shiping Hua, 2019-03-27 This book examines China's striving for a constitutional order in the 20th century from comparative historical and theoretical perspectives Through a comprehensive study of six major constitutional reforms experienced by China in the last century Shiping Hua explores pragmatism instrumentalism statism and favoritism as the key features of the Chinese legal culture Demonstrating that these characteristics have roots in China's ancient past and coincide with modern communist legal theory it argues that Chinese legal culture has greatly impacted upon the country's move to modernize its legal system By analyzing key constitutional periods in China's history this book also evaluates patterns that can be used to better comprehend not only China's present legal reform but its future legal developments too As the first book to examine how the Chinese legal culture has affected constitutional reform in the 20th century Chinese Legal Culture and Constitutional Order will be useful to students and scholars of Asian and constitutional law as well as Chinese Studies more generally Winner of the 2019 ACPSS Association of Chinese Professors of Social Sciences in the United States Best Scholarly Publication Award for Original Research **Art,**

Global Maoism and the Chinese Cultural Revolution Jacopo Galimberti, Noemi de Haro García, Victoria H. F. Scott, 2019-11-18 This is the first book to explore the global influence of Maoism on modern and contemporary art Featuring eighteen original essays written by established and emerging scholars from around the world and illustrated with fascinating images not widely known in the west the volume demonstrates the significance of visuality in understanding the protean nature of this powerful worldwide revolutionary movement Contributions address regions as diverse as Singapore Madrid Lima and Maputo moving beyond stereotypes and misconceptions of Mao Zedong Thought's influence on art to deliver a survey of the social and political contexts of this international phenomenon At the same time the book attends to the similarities and differences between each case study It demonstrates that the chameleonic appearances of global Maoism deserve a more prominent place in the art history of both the twentieth and twenty first centuries **Clinical Practice for**

People with Schizophrenia Kam-Shing Yip, 2007 Many clinicians know that one should embrace a humanistic empathic and holistic view on persons with schizophrenia Nevertheless some may think such an orientation is not effective in clinical practice Some may not possess enough training confidence and practice competence in acknowledging clients needs feelings and subjective experiences behind pathological symptoms They may feel insecure in facing clients confused hallucinations and delusions They may be over involved in neuro cognitive perspective or simply apply one type of therapy modality to clients with different needs background and cultural contexts Based on the writer's years of clinical experience as well as supervising professional workers in rehabilitating persons with schizophrenia he attempts to share his humanistic and empathic practice with the readers The layout of this book coincides with different dimensions of a holistic person It starts with a strength perspective on a holistic person Then it is followed by the emphases of subjective experiences

meaningfulness of life self consciousness humanistic coping and cultural aspects in clinical practice with persons with schizophrenia The second chapter of this book is a narration about the therapeutic power of the strengths perspective in helping a female Chinese person with schizophrenia The writer helped her and her parents to recognise and know how to regain the normal and humane side behind symptomatic delusion and hallucinations In Chapter three the writer demonstrates the importance of understanding personal subjective experience in establishing a good rapport and building up empathic communication with a man with schizophrenia Chapter four is a full description of how persons with schizophrenia making meaningfulness of life and spirituality in their process of recovery Chapter five describes the importance of respect of clients self consciousness in the process of clinical treatment and rehabilitation In Chapter six the writer affirms the need of interpersonal relationship and intimacy crises for persons with schizophrenia Chapter seven is a narration how persons with schizophrenia struggled hard in the process of recovery Chapter eight is a critique of institutionalised clinical practice The writer described how an institutionalised young man with schizophrenia was humanised to regain his trust and confidence in living a normal life The writer critically evaluated that professional interventions if being done in an inappropriate orientation can be a burden rather a help for persons with schizophrenia in the process of recovery Chapter nine is a critique of de culturalisation in diagnosis assessment treatment and rehabilitation of persons with schizophrenia The writer asserts the importance of cultural articulation in clinical practice for persons with schizophrenia Chapter ten is the concluding remarks of the humanistic and empathic articulation in this book

Cultural Subconscious Kai Qun ZHANG, 2023-01-04 Cultural subconscious is the original psychological theory created by the author This is an area of study where psychology and culturology intersect Taking Chinese culture as a case the author puts forward a set of new concepts and theoretical frameworks The main concept includes the cultural Archetypes the core conceptual archetypes the philosophical archetypes the personality archetypes the cultural shadows and the cultural psychological defense mechanisms the philosophical archetypes include the cosmic archetypes the social archetypes the individual archetype the life meaning archetype and the Shu shu archetype etc The personality archetype includes the emperor archetype the minion Archetype the Junzi nobleman archetype the traitor archetype the archetype of clean official the spectator archetype the archetype of patience the Zhuang yuan archetype etc Through the author s extensive research in psychology philosophy history and comparison between Chinese and Western culture this book emphatically analyzes the cultural subconscious at the bottom of Chinese people s mind expounded the causes influences and inheritance and deciphers the Chinese cultural gene It is not only a breakthrough in psychology and cultural studies but also of great significance to the introspection and renewal of national culture This is a book that presents profound theory in plain language
