Reformation as well as revealing the richness of the world of medieval Scottish religious imagery Each chapter examines one aspect of faith and the lay responses to it The first part of the book discusses three central concepts in people s understanding of death and salvation the Day of Judgement Heaven and Hell and Purgatory The second part looks at the way in which people perceived of and related to three central figures of Christianity God Mary and Jesus In examining such a wide variety of beliefs the book goes beyond the study of religion to provide an understanding of the nature and functioning of medieval society as a whole
