All the Dogs I've Loved Before Peggy C Insula,2019-07-25 Not all the dogs I ve loved in my long life were men This book is the color version of a true sequential account of my relationships with the dogs who have filled my life with love joy laughter and occasional frustration and grief From Kim the stunning black chow who allowed me to crawl over him when I was a toddler to my current corgi mix Chico each dog has had an important place in my life and in my heart Unlike most books about dogs however not every account here ends happily I hope that readers can experience the varied emotions with me along this journey I also hope you can forgive my sometimes harsh decisions regarding my dogs when in times of crisis my farm girl mentality won the battle with my less practical but more humane side One of my life goals is to make amends to dogs wherever and whenever I can They have given me much more than I have given them
