Tom Swift Among the Fire Fighters, Or, Battling with Flames from the Air Victor Appleton, 2017-06-19 CHAPTER I TOM IS PUZZLED What s the matter Tom You look rather blue Blue Say Ned I d turn red green yellow or any other color of the rainbow if I thought it would help matters any Whew Ned Newton the chum and companion of Tom Swift gave vent to a whistle of surprise as he gazed at the young fellow sitting opposite him near a bench covered with strange looking tools and machinery while blueprints and drawings were scattered about Ranged on the sides of the room were models of many queer craft most of them flying machines of one sort or another while through the open door that led into a large shed could be seen the outlines of a speedy monoplane As bad as that eh Tom went on Ned I thought something was up when I first came in but if you ll excuse a second mention of the color scheme I should say it was blue decidedly blue You look as though you had lost your last friend and I want to assure you that if you do feel that way it s dead wrong There s myself for one and I m sure Mr Damon Bless my gasoline tank exclaimed Tom with a laugh in imitation of the gentleman Ned Newton had mentioned I know that I m not worrying over the loss of any friends And there are Eradicate

and Koku the giant just to mention a couple of others went on Ned with a smile That s enough exclaimed Tom It isn t that I tell you Well what is it then Here I go and get a half holiday off from the bank and just at the busiest time too to come and see you and I find you in a brown study looking as blue as indigo and maybe you re all yellow inside from a bilious attack for all I know Quite a combination of colors admitted Tom But it isn t what you think It s just that I m puzzled Ned Puzzled and Ned raised his eyebrows to indicate how surprised he was that anything should puzzle his friend Yes genuinely puzzled Has anything gone wrong Ned asked No one is trying to take any of your pet inventions away from you is there No not exactly that though it is about one of my inventions I am puzzled I guess I haven t shown you my very latest have I Ned Well I don t know Tom Time was when I could keep track of you and your inventions but that was in your early days when you started with a motorcycle and were glad enough to have a motorboat But since you ve taken to aerial navigation and submarine work not to mention one or two other lines of activity I give up I don t know where to look next Tom for something new Well this isn t so very new went on the young inventor for Tom Swift had designed and patented many new machines of the air earth and water I m just trying to work out some new problems in aerial navigation Ned he went on I thought there weren t any more spoke Ned soberly enough Come now none of that exclaimed Tom with a laugh Why the surface of aerial navigation has only been scratched The science is far from being understood or even made safe not to say perfected as water and land travel have been
