Cultural Fault Lines in Healthcare Michael C. Brannigan,2012-02-16 Healthcare in the U S faces two interpenetrating certainties First with over 66 racial and ethnic groupings our American Mosaic of worldviews and values unavoidably generates clashes in hospitals and clinics Second our public increasingly mistrusts our healthcare system

and delivery One certainty fuels the other Conflicts in the clinical encounter particularly with patients from other cultures often challenge dominant assumptions of morally appropriate principles and behavior In turn lack of understanding misinterpretation stereotyping and outright discrimination result in poor health outcomes compounding further mistrust To address these cultural fault lines healthcare institutions have initiated efforts to ensure cultural competence Yet these efforts become institutional window dressing without tackling deeper issues issues having to do with attitudes understanding and most importantly ways we communicate with patients These deeper issues reflect a fundamental original fault line the ever widening gap between serving our own interests while disregarding the concerns of more vulnerable patients those on the margins those Others who remain disenfranchised because they are Other This book examines this and how we must become the voice for these Others whose vulnerability and suffering are palpable The author argues that as a vital and necessary condition for cultural competency we must learn to cultivate the virtue of Presence of genuinely being there with our patients Cultural competency is less a matter of acquiring knowledge of other cultures Cultural competency demands as a prerequisite for all patients not just for those who seem different genuine embodied Presence Genuine interpersonal embodied presence is especially crucial in our screen centric and Facebook world where interaction is mediated through technologies rather than through authentic face to face engagement This is sadly apparent in healthcare where we have replaced interpersonal care with technological intervention Indeed we are all potential patients When we become ill we too will most likely assume roles of vulnerability We too may feel as invisible as those on the margins These are not armchair reflections Brannigan s incisive analysis comes from his scholarship in healthcare and intercultural ethics along with his longstanding clinical experience in numerous healthcare settings with patients their families and healthcare professionals

Palliative Care Nursing Deborah Witt Sherman, 2010 This textbook has introduced concepts and methods of education which help to move palliative nursing forward as an evidenced based practice of whole person care Betty Ferrell PhD FAAN Research Scientist From the Foreword In this comprehensive textbook on palliative care nursing editors Marianne Matzo and Deborah Witt Sherman succeed in bringing together the heart of nursing and the true meaning of palliative care with the most current evidence based practice GeriPal Palliative care is a philosophy of caregiving that integrates disease modification with supportive compassionate therapies for patients at the end of life Palliative care nurses are responsible for alleviating pain and other physical symptoms along with satisfying the emotional social cultural and spiritual needs of patients who are facing life threatening illness This third edition of Palliative Care Nursing provides more comprehensive newly updated content knowledge attitudes skills and cutting edge teaching and learning strategies to achieve the AACN End of Life nursing competencies providing a lifespan approach Now in its third edition this book continues to emphasize the value of complementary holistic modalities in promoting health wholeness and wellness even as death approaches Key topics discussed Ethical aspects of palliative care Legal aspects of end of life decision making Loss suffering grief and bereavement

on the part of patients and their families Symptom specific nursing management of pain anxiety depression fatigue malnutrition and dehydration all common to palliative care How to communicate with the seriously ill and dying patients their families and their health care providers Disease specific aspects of palliative care for those battling cancer heart disease lung disease HIV AIDS end stage renal and liver disease neurological and other disorders

This book delves into Transcultural Health Care A Culturally Competent Approach 3rd Edition. Transcultural Health Care A Culturally Competent Approach 3rd Edition is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Transcultural Health Care A Culturally Competent Approach 3rd Edition, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Transcultural Health Care A Culturally Competent Approach 3rd Edition
 - Chapter 2: Essential Elements of Transcultural Health Care A Culturally Competent Approach 3rd Edition
 - Chapter 3: Transcultural Health Care A Culturally Competent Approach 3rd Edition in Everyday Life
 - Chapter 4: Transcultural Health Care A Culturally Competent Approach 3rd Edition in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Transcultural Health Care A Culturally Competent Approach 3rd Edition. This chapter will explore what Transcultural Health Care A Culturally Competent Approach 3rd Edition is, why Transcultural Health Care A Culturally Competent Approach 3rd Edition is vital, and how to effectively learn about Transcultural Health Care A Culturally Competent Approach 3rd Edition.
3. In chapter 2, this book will delve into the foundational concepts of Transcultural Health Care A Culturally Competent Approach 3rd Edition. This chapter will elucidate the essential principles that must be understood to grasp Transcultural Health Care A Culturally Competent Approach 3rd Edition in its entirety.
4. In chapter 3, the author will examine the practical applications of Transcultural Health Care A Culturally Competent Approach 3rd Edition in daily life. This chapter will showcase real-world examples of how Transcultural Health Care A Culturally Competent Approach 3rd Edition can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Transcultural Health Care A Culturally Competent Approach 3rd Edition in specific contexts. The fourth chapter will explore how Transcultural Health Care A Culturally Competent Approach 3rd Edition is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Transcultural Health Care A Culturally Competent Approach 3rd Edition. The final chapter will summarize the key points that have been discussed throughout the book. The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Transcultural Health Care A Culturally Competent Approach 3rd Edition.
