Jackie Lapin

Transformation Gold Mastering The Art Of Intentional Creation Volume 1:

Bulletin of the Atomic Scientists, 1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world **Words on Cassette**, 1993 The Art of Conscious Creation Jackie Lapin, 2020-11-24 Are you ready to learn how to manage your personal energy frequency for the purpose of personal and global transformation The Art of Conscious Creation gives you the simple yet extraordinary techniques to Consciously Create the life you yearn for and desire This compelling book reveals the 25 Universal Guiding Principles that lead to a happier more fulfilling prosperous and struggle free life You will then discover how to apply these remarkably powerful skills on behalf of the planet helping to manifest a world that is free of hate war rage hunger and environmental destruction a world instead filled with peace prosperity unlimited opportunity and joy for all Contained within this book are keys to mastering visualization on a personal and global level to harnessing the energy that can change your life impact the Universe and transform the world Learn how joining with others can magnify the power of your thoughts exponentially to create a bountiful future *The Art of Creation* Jesse Krieger, 2020-09-15 The Art of Creation is the Process of Turning Your Ideas into Reality Right now you have within you the power and potential to create whatever you want in life Yes anything That doesn't necessarily mean that you have the materials the experience or the willpower to see the art of creation through to completion but you do have the power and the potential How powerful would it be to become conscious of the process that results in your life as you experience it now Wouldn't it be empowering to have the tools to consciously create all the time and in all areas What will you create next Whether that means building a business traveling the world writing a book or mastering a language The Art of Creation guides you through the process of dreaming big and making it real In Part 1 you will learn The Hierarchy of Creation Energy to align your thoughts emotions and actions to become a master creator This is all about understanding the non physical dimensions of life that influence all that we think feel and do These are the dimensions of Consciousness Spirit and Soul Your level of consciousness determines your worldview and outlook on life your connection to spirit determines how much of life's energy is available to you at any given time and embodying your soul allows your unique gifts to be shared with the world From there we'll explore the physical dimensions of life which are the mental emotional and physical planes of existence The mental plane is the realm of the mind which governs the thoughts we think and logical problem solving The emotional plane are the feelings in our bodies and the intuitive guidance they provide The physical plane is where our actions play out which determines how others experience us Aligning your life with The Hierarchy of Creation Energy empowers you to live authentically and let your light shine for all the world to see In Part 2 you'll be introduced to The Vision MAP Creative Palette which is the toolbox that turns your ideas into reality You'll learn how to create a compelling vision for the life you want to live and all that is in it then craft a MAP to achieve it MAP stands for

Mission Action Product and this is the tactical process of moving from where you are now to where you want to be Whereas your vision is personal and is limited only by your imagination the mission you define is meant to make a difference in the lives of others Your mission is what drives your actions and coordinates the energies and efforts of others around a common purpose Finally the end product is the outcome you create the real world results that move you step by step towards actualizing the vision you hold The Art of Creation is your guide to consciously create the life of your dreams May you be inspired and empowered to realize your full potential and live a life that will leave a legacy
