75 Habits for a Happy Marriage Ashley Davis Bush, Daniel Arthur Bush, 2013-08-18 The stresses and strains of life can unravel the tight bond you once had with your spouse leaving you feeling lonely frustrated and unfulfilled 75 Habits for a Happy Marriage shows you how to restore that intimate and joyful union with simple positive actions that bring you closer together throughout the day Based in neuroscience psychology and real world experience these powerful techniques are easy to incorporate into busy schedules and will inspire readers to give their marriages the time they deserve They ll learn how to transform their relationship with meaningful gestures that instantly enhance communication and intimacy through exercises including Before getting out of bed in the mornings take one minute to meditate together helping the tenderness and compassion you feel for your partner to stay with you throughout the day At the end of each day hug your partner for at least 20 seconds and tell them how glad you are to be home Create a secret signal that only your partner recognises allowing you to make an intimate connection even when you re at the grocery store at a cocktail party or at dinner with your family This interactive guide will empower readers to enhance their connection shared with their partners in order to build a joyful and long lasting marriage With the guidance and practices detailed in 75 Habits for a Happy Marriage you will enrich the bond

you share with your partner and build a happy supportive and long lasting marriage **Family Life Now** Kelly J.

Welch,2020-10-08 Family Life Now is a candid thoughtful examination of marriages families and intimate relationships that follows the Family Life Education framework Written in a student friendly conversational style the text encourages readers to draw upon their own backgrounds and experiences to understand theories and concepts vital to the family sciences Author Kelly J Welch incorporates scholarship from the social and behavioral sciences to cover topics that are important to students today such as LGBTQ individuals and relationships cohabitating and financial compatibility with a partner This title is accompanied by a complete teaching and learning package **Transformation through Intimacy, Revised Edition**

Robert Augustus Masters, Ph.D.,2012-03-06 A comprehensive guide to intimacy through greater self awareness for those who want more loving passionate and liberating monogamous relationships Intimate relationship has long been viewed and lived as a lesser alternative to spiritual life More recently the need to integrate our spiritual and intimate lives rather than maintaining separate spheres and relationships on autopilot has become increasingly apparent Given the high rates of infidelity and divorce it would seem that the possibilities of freedom through intimacy have not been explored in much depth Too often we pull away when relationships become difficult missing out on the rewards of connecting more profoundly The passage from immature to mature monogamy is not only a journey of ripening intimacy with a partner but also a journey into and through zones of ourselves that may be very difficult to accept and integrate with the rest of our being Transformation through Intimacy explores intimate relationships through a four stage lens me centered we centered codependent we centered coindependent and being centered Bringing his many years of experience as a psychotherapist and spiritual practitioner to the subject relationship expert and integral psychoterhapist Robert Augustus Masters shows readers not only how to navigate the thickets of reactivity conflict shame anger fear and doubt but how to understand them in a new light so that a deeper level of relating to oneself and one s partner becomes possible opening new levels of trust commitment and love Transformation Through Intimacy Robert Augustus Masters,2007 *The New Monogamy* Tammy

Nelson,2013-01-02 Imago therapist and author of Getting the Sex You Want Tammy Nelson presents The New Monogamy a revolutionary approach to healing a relationship after infidelity In The New Monogamy couples rekindle their trust in each other engage in Imago dialogues to clarify what both partners really want in a relationship and make a full erotic recovery by redefining the monogamy contract for the future after the affair **The Monogamy Challenge: Creating and Keeping**

Intimacy Peter Kane,2010-01 The Monogamy Challenge goes beyond helping partners resolve attractions to others it also helps to create and sustain vital and passionate monogamous relationships The authors 30 years as a counselor and workshop facilitator have created a groundbreaking deep and practical book helping readers resolve the many issues that make intimacy and monogamy difficult Since our whole life is about our relationship with ourselves and others this book is also about creating success intimacy and connection in every area of our lives **The Birds and Bees of Joyful**

Monogamy Lynne E Sheridan, 2020-02-09 Do you want a marriage or partnership that sizzles and inspires others Do you want to dive into an entirely new level of intimacy Are you ready to do the work Like for real The The Birds and Bees of Joyful Monogamy has arrived in your lap at the perfect time Sometimes Couples authors get dedicated to one point of view or perspective and you end up needing to read five to ten books to gather the best material research and work that exists Look no further this book provides a wealth of the predominant research on happy marriages and couples and then puts muscle behind that information with risky sexy and in depth exercises designed to transform your relationship If you think your partner may not join you on the adventure of this hands on book no worries You will create value by doing the work yourself And if you have the delight of diving in with a partner who is ready for date nights that deepen your connection and set you up for a lifetime of a passionately alive partnership then ENJOY Lynne Sheridan has a unique perspective in that she has been an international transformational trainer for 27 years working with tens of thousands of people in creating what matters wealth success and yes happy relationships At the same time she is a licensed Marriage and Family Therapist working with clients who really want to do the work to have their partnership thrive And after conducting Couples Retreats for nearly fifteen years she has ample material and evidence to back her practices In the Prologue Lynne makes it clear that this isn't a self help book where the author peddles philosophy from a pedestal she's been in the muck with all of us In fact my third year of marriage was hell I imagined from the author of a book on relationship bliss but it's the truth And the truth sometimes is painful to acknowledge and even harder to admit But I have also learned that once you acknowledge a painful truth you can create something else That year of hell became the compost for the development of incredible growth over a decade of successful Couples Retreats and scores of couples knowing what's possible in their relationships It makes sense put any seed in total shit and something amazing will blossom out of the dung It isn't a pretty process but the yield is amazing There is no doubt about it that year of hell was the beginning of the turning point for my marriage and our relationship I didn't know it then but it would have made it easier to get through if I would have known that somehow gems would be mined from the minefield that became a lot of our conversations Dream University founder and best selling author Marcia Weider says Lynne has a way of making complicated material accessible and usable She also has the unique ability to take what appears to be conflicting or differing perspectives and weave them together showing patterns and similarities that allow for a deeper understanding of ourselves and significant others What that means is that not only will you glean fresh insights but also a real understanding of the inner workings of your relationships And through the powerful exercises in each chapter you will be able to immediately put in to use what you are learning With Lynne's guidance you will have more than a conceptual awareness of the material but also simple practices to live and embody this wisdom Best selling author Raymond Aaron says Sometimes when it comes to relationship advice authors have a way of getting caught in one perspective Lynne has found a way to weave together cutting edge research on relationships and bring it to life with experiential processes for you to follow

At the same time Lynne gives very real examples from others as well as from her own life with humbling vulnerability You can count on Lynne being candid clear and saying it like it is and giving you permission and ways to practice doing the same

Monogamy Marianne Brandon, 2010-08-19 This text provides a groundbreaking look at sexual instincts and offers a clinical psychologist s and sex therapist s insights and solutions to the challenges of monogamous relationships Monogamous relationships are firmly embedded in the framework of our society and yet the divorce rate and common failures of intimacy in long term relationships challenges the efficacy of this paradigm Oddly the concept of monogamy has been virtually ignored by mental health professionals while anthropologists sociologists biologists and zoologists have researched and explored the topic *Monogamy The Untold Story* presents not only the scientific research about the challenges of monogamy but also the practical solutions to overcome them In part one the author explores sexual instincts and monogamy from an anthropological biological psychological and social perspective Part two offers men and women a step by step guide to enhancing passion and strengthening their intimate bond by capitalizing on their natural sexual instincts
