Transforming Church Conflict Compassionate Leadership In Action:

Transforming Church Conflict Deborah van Deusen Hunsinger, Theresa F. Latini, 2013-01-01 Using real world case studies and examples Hunsinger and Latini helpfully guide pastors and lay leaders through effective and compassionate ways to deal with discord *Church Abuse of Clergy* Gene Fowler, 2020-03-09 Imagine receiving a shocking email from a church member stating that you the pastor have mishandled church funds and that you should resign for the good of the congregation Soon you discover that the church member sent the email to many other church members Additional lies will follow until the fateful day comes when the members vote to fire you or the bishop dismisses you or you resign for sheer survival You are experiencing church abuse of clergy which is the topic of this book Clergy will gain an entirely new understanding of church abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged

Mission Rift David E. Woolverton, 2021 There are two types of conflict in congregations conflict that kills and conflict that cultivates growth So argues David E Woolverton in *Mission Rift* Leading through Church Conflict Conflict that kills that damages or destroys teams ministries missions vibrancy occurs when we as the people of God forget who we are why we re here and where we re going in carrying out the divine mission Conflict that cultivates growth often begins with the same scenarios but leaders see conflict as a context for learning how to live together as a people called to transform their neighborhoods schools and workplaces In *Mission Rift* Woolverton reorients our view of congregational conflict In part 1 he examines conflict from a theological and ecclesiological framework exploring why it is essential to discipleship and mission In part 2 he presents six principles of missional leadership challenging pastors and other leaders to define themselves within the frameworks of spiritual formation and family systems and then to create environments that facilitate growth in faith communities Rather than resolve conflict too quickly Woolverton explains lest we inadvertently sabotage the potential it has to draw a congregation toward spiritual growth wise leaders recognize that a lack of conflict may be a symptom of missional decline rather than congregational unity When the church pursues its divine mission first conflict may become essential for defining its mission priorities Successfully leading through conflict toward a transformative end will empower a congregation s witness within its community and beyond **SCM Studyguide: Church Leadership** Jon Coutts, 2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as

considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church Beyond Church Walls Dr. Richard Rouse,2016-05-19 Pastoral care has been traditionally understood as pastoral acts administered to individuals or small groups by an ordained or lay religious practitioner As congregations in the twenty first century begin to reclaim the missional nature of church this view must be broadened to include care and concern for the needs of the larger community A missional perspective of pastoral care embraces the notion that all of Gods people not just trained professionals are called to partner in the healing and redemption of the world In Beyond Church Walls Rick Rouse sets out to articulate precisely what such an approach to pastoral care looks like and the substantial impact it can have on congregations and communities A skilled teacher and pastor with deep experience in real communities Rouse leads readers through the changing realities of the twenty first century and to new ways for missional churches to succeed in offering pastoral care for the whole community

When Christ's Body Is Broken Leanna K. Fuller,2016-03-03 When Christ's Body Is Broken tells the stories of two congregations in conflict Although these churches had very different problems they faced similar struggles to articulate a faithful response to their concerns and to cope with the discord that threatened to tear their communities apart Pastoral theologian Leanna K Fuller shares these stories as a way of exploring the sources and dynamics of conflict in congregations She argues that at the heart of such conflict lies anxiety triggered by encounters with difference Bringing together resources from pastoral theology psychodynamic theory and social psychology Fuller offers a theological reframing of conflict through categories of diversity vulnerability and hospitality categories that she argues can encourage human beings to sit with the anxiety stirred by communal life and remain connected across differences This reframing provides fertile ground out of which Fuller imagines concrete practices designed for conflicted communities and their leaders **Leading Congregational Change** Jim Herrington,Mike Bonem,James H. Furr,2020-10-06 Bold transformation is needed in many of the congregations that cover the American landscape argue Jim Herrington Mike Bonem and James H Furr authors of Leading Congregational Change A Practical Guide for the Transformational Journey Drawing on their more than one hundred years of combined experience in a wide variety of church related positions and a deep commitment to the biblical role of the local church the authors present practical and concrete principles and concepts applicable across a broad spectrum of congregations Leading Congregational Change presents a simple memorable and transferable framework along with principles of congregational transformation such as God's call for transformation the central role of spiritual vitality the sequential nature of effective change and the learning disciplines Illustrations and action items offer adaptable suggestions and starting points for

discussion Leading Congregational Change is designed primarily for pastors and other congregational leaders who sense that things are not just fine in their churches and realize that deep change is needed. Judicatory staff and church consultants will also find the model for congregational transformation helpful. Individual ministries within a congregation, new congregations, and parachurch organizations can also use it to facilitate their own transformation. A church will grow when it understands and is genuinely committed to demonstrating and sharing the gospel in relevant ways. Growth will be manifested in the deeper commitment of its members. And more people in the community will hear God's call and become faithful disciples of Christ. Leading Congregational Change is a wise and faithful guide for the journey toward such transformation.

The Irrational Jesus Ken Evers-Hood, 2016-11-10 Behavioral science books are popping up on bestseller lists. Predictably Irrational, Thinking Fast and Slow, Nudge. Even the White House launched a Behavioral Insights Team to match the British Ministry of Nudges. Conspicuously absent from this conversation is the church. The Irrational Jesus bridges this gap. Ken Evers-Hood looks at Jesus through the lens of cognitive heuristics, mental shortcuts, and biases, blind spots, and makes the case that a fully human Jesus is predictably irrational, just like all of us. Find out how the Apostle Paul's community building mirrors a prisoner's dilemma game and how this makes Paul an irrational leader, too. Discover how playing better games in church can foster hopeful, flourishing communities. Improve your decision making, learn when to plan for irrationality and when to live into it. The Irrational Jesus addresses these issues and more. Integrating the insights of behavioral economists such as Dan Ariely, the gameful thinking of Jane McGonigal, and cutting edge ideas from decision theory, Evers-Hood articulates a behavioral theology for fully human pastors of fully human congregations, a fresh perspective that will change how pastors and other church leaders see themselves, the institutions they serve, and the scriptural and theological tradition.

Theology in Service to the Church Allan Hugh Cole Jr., 2014-07-17 As a global religion with growing numbers of expressions, Christianity calls for deepening relationships across traditions while also formulating collaborative visions. A thriving church will require Christians from various traditions and on varying trajectories to become familiar with one another, appreciate one another, and work in common service to God in Jesus Christ. In this book, a group of thirteen distinguished scholars from around the world, representing a range of Orthodox, Catholic, and Protestant perspectives, demonstrate how theological reflection and broad-based ecumenical conversations may serve the church. Reflecting on numerous salient matters facing the global church, these scholars model what may be accomplished in ecumenical conversations that recognize the gifts that come with unity across diversity among those who seek to be faithful to Jesus Christ.

Experience Matthew Floding, Dawn Davis, 2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process. Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework. Theological schools look to what happens in the field education courses as the most

significant source of spiritual formation Experience Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation In the first section of the book twenty five practices are introduced that are employed currently by field educators with strong favorable student feedback In a second section ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God s world Experience equips field educators for the significant task of fostering the spiritual growth of their students Students in turn will have a treasure trove of spiritual formation exercises practices that they can adapt as ministerial leaders in congregations chaplaincy settings and in faith based non profit organizations *Explore* Kristina Lizardy-Hajbi,Matthew Floding,2022-08-31 This volume helps ministerial leadership students engage the tools of discernment while introducing the various roles that seminarians may pursue including pastors varieties of chaplaincy clinical pastoral educators academics and nonprofit leaders It is an ideal resource for seminarians particularly during theological field education *Who is Present in Absence?* Pamela F. Engelbert,2019-01-16 What transpires when Classical Pentecostals pray for God to intervene within their suffering but God does not Traditionally Classical Pentecostals center on encountering God as demonstrated through the relating of testimonies of their experiences with God In seeking to contribute to a theology of suffering for Pentecostals Pam Engelbert lifts up the stories of eight Classical Pentecostals to discover how they experienced God and others amidst their extended suffering even when God did not intervene as they had prayed By valuing each story this qualitative practical theology work embraces a Pentecostal hermeneutic of experience combined with Scripture namely the Gospel of John As a Pentecostal practical theological project it offers a praxis theology of action of suffering and healing during times when we experience the apparent absence of God It invites the reader to enter into the space of the other s suffering by way of empathy and thereby participate in God s act of ministry to humanity through God s expression of empathy in the very person of Jesus **Bearing the Unbearable** Deborah van Deusen Hunsinger,2015-07-08 A Christ centered approach to dealing with trauma on both a personal and a communal level Traumas abound Post traumatic stress disorder emotional and sexual abuse unbearable anxiety and fear and a host of other traumas afflict people everywhere In this book Deborah van Deusen Hunsinger weaves together threads from the fields of psychology and pastoral theology as she explores the impact of trauma on people s lives and offers practical strategies and restorative practices for dealing with it Not only a teacher of pastoral theology but also an experienced pastoral counselor herself Hunsinger draws on the resources of depth psychology including object relations theory trauma theory family systems theory nonviolent communication and restorative circles She then places her findings in a Christian theological context emphasizing God s work in and through Jesus passion death and resurrection to present a cohesive faith based vision for healing *You Visited Me* Sang Taek Lee,Alan Galt,2021-07-12 *You Visited Me* explores current work practices in pastoral care supervision and spirituality and how one can experience a new type of ministry with the theory of CPE and its methods in a secular world This

book is divided into three sections history framework and theology of clinical pastoral education clinical pastoral education and spiritual practice in a secular world and Anton Theophilus Boisen and clinical pastoral education from an apocalyptic aspect *Brimming with God* Barbara J. Blodgett, Matthew Floding, 2015-08-13 The yearning to be a theologian is widespread Pastors students supervisors and mentors all wish to think theologically about their ministries but often feel inadequately prepared This book seeks to respond by showcasing a variety of approaches to theological reflection brought to bear upon actual situations in ministry It is written by theological field educators We define theological reflection as reflection upon lived embodied experiences in ministry that seeks to make sense of practice and form reflectors in habits for competent ministry An introductory chapter defines theological reflection as practiced within field education and points readers toward a diversity of approaches Eleven subsequent chapters present two reflections upon the same case each reflection written by a different author and representing a different reflection method The book's significance is as a resource for teaching theological reflection in a range of settings It not only offers a definition of and rationale for theological reflection but models various approaches to it Its use of cases furthermore models the use of case studies in theological education and pastoral practice more widely

Caring for Joy: Narrative, Theology, and Practice

Mary Clark Moschella, 2016-09-07 In *Caring for Joy: Narrative Theology and Practice* Mary Clark Moschella offers a new account of the value of joy in caregiving vocations demonstrating how the work of caring for persons communities and the world need not be a dreary endeavor overwhelmed by crises or undermined by despair Moschella presents glimpses of joy in action in the narratives of five notable figures Heidi Neumark Henri Nouwen Gregory Boyle Pauli Murray and Paul Farmer gleaning their wisdom for the construction of a theology of joy that embodies compassion connection justice and freedom Care must be deep enough to hold human suffering and spacious enough to take in the divine goodness beauty and love This book expands the pastoral theological imagination and narrates joy full approaches to transformational care This work is a scholarly engaging and compassionate call to reconsider the significance of joyful living and joyful lives in radical pastoral theology Heather Walton University of Glasgow President of the International Academy of Practical Theology July 2016 Based on biographies interviews and life stories Mary Clark Moschella presents joy as a counter cultural emotion as a spiritual path

and as a fruit of the Spirit In her research joy and reason are not ultimately opposed Jeanne Stevenson Moessner Professor of Pastoral Care Perkins School of Theology Southern Methodist University July 2016 This highly readable and compelling theology of joy will inspire you to explore how joy might energize your vocation especially caregiving vocations that use narrative approaches to spiritual care and pastoral counseling I plan on using this book as a textbook in my theodicy grief death and dying and vocational courses Carrie Doehring Professor of Pastoral Care and Counseling Iliff School of Theology Denver August 2016 Mary Moschella has given us a rare text one that is theologically rich intellectually sophisticated drenched in pastoral wisdom and beautifully written She gives us a pastoral theology attuned to the realities of diversity and sensitive to the complex challenges facing those who lives constantly interface with suffering There is simply nothing else like this book in pastoral care Willie James Jennings Professor of Systematic Theology and Africana Studies Yale University August 2016 *Body Connections* Michael S. Koppel, 2021-08-03 A new articulation of pastoral theology care and counseling Too often we think and teach in ways that reinforce a mind body split This can lead people to self alienation impeding holistic healthy relationships between people God and each other *Body Connections* takes a different approach teaching us to see the connections between our embodied experience and faithful spiritual care Author Michael Koppel focuses on the human body and its relationship to faith and spiritual care He engages religious texts and traditions as well as scientific insights offering accessible theology and spiritual practices for healing and care of the body Our bodies are amazing resources but we are too often unaware of their power or unable to harness it in helpful ways for our own good This remarkable book empowers pastors counselors chaplains seminarians and caregivers to understand and provide the ministry of care in an entirely new life giving way This book is highly useful for individuals and groups It is for clergy chaplains spiritual directors seminarians clinical educators lay people in churches and those who are institutionally unaffiliated but care deeply about fostering a holistic spiritual path Praise for *Body Connections* Everything we think feel and do comes through the body But practices of spiritual care tend to downplay the body as a source of knowledge and a tool for responding to others and to God Koppel s book reclaims that wisdom coaching us to strengthen our abilities to read listen and think with the body I can t wait to teach this practical wise and convicting book which addresses embodied emotion grief silence trauma and more Koppel s seasoned pastoral voice offers a rich synthesis of sources and insights that demonstrate the body s place at the center of ministry Duane Bidwell professor of practical theology spiritual care and counseling Claremont School of Theology Claremont CA *Body Connections* provides new insights into the voice and language of the body Koppel crafts a body theology that encourages spiritual care practitioners to be proactive in their spiritual practices of listening adapting and responding to our bodies and to the bodies of those to whom we offer care Using the image of body as storyteller and other metaphors Koppel captures and defines the healing power of the body in clear and profound ways Bishop Teresa Jefferson Snorton D Min Presiding Bishop Fifth Episcopal District The CME Church Michael Koppel returns the body to its rightful place at the center

of each person's story and the center of the Christian story. He calls readers home to their bodies and gently challenges escapes from the body into hasty fixing, detached rationalizing, anxious dithering, or addictive numbing. At a time when the COVID pandemic has underscored the vulnerability of bodies, Koppel's focused healing, deep body consciousness paints a portrait of health far beyond mere absence of disease. Don't just read this book; absorb it, practice it, and let it heal you.

Douglas M. Thorpe, PhD, is Executive Director of the Virginia Institute of Pastoral Care and a past president of the American Association of Pastoral Counselors. It is surprisingly difficult even confusing to have a body to be a body to touch, talk, and listen to; even read, a sensing body to honor and restore the body's wounds, traumas, and shame while celebrating its healing and resilience. Koppel is a wise guide and caregiver for those seeking to embrace the sacredness of a human body and its unique story. *Body Connections* empowers a reader to discover body knowledge anew. It deepens trust in the most intimate relationship one has: the relationship with one's body.

Jaco J. Hamman, professor of religion, psychology, and culture and director of the Program in Theology and Practice, Vanderbilt University, Nashville, TN. *Toughest People to Love*, Chuck DeGroat, 2014-05-29. People frustrating, confusing, disappointing, complicated are the most difficult part of leadership, and they challenge leaders everywhere, from leaders of many to managers of a few. In this book, Chuck DeGroat addresses the flawed nature of people and offers wisdom for leaders of all types in dealing with just about anyone who is difficult to lead and to love. *Toughest People to Love* explores the basics of how people tick, encouraging leaders to examine and take care of themselves so that they can better understand and care for others. Based on DeGroat's wealth of experience as a pastor, professor, and therapist, this book, both wise and practical, is one that countless leaders will go back to time and again for valuable insights and renewed vision.

The Speed Method, Awareness in Four Steps, Barbara Marchica, 2022-10-17. The author presents a theoretical/practical training manual with effective tools for everyone, especially counselors, to improve their spiritual growth. The Speed Method, integrating Lonergan's theory with the practice of counseling, becomes a concrete opportunity in view of a new spiritual springtime for the Church and human care.
