

The book cover features a warm, sepia-toned photograph. In the center, a woman in a dark dress holds a young child. To the right, another young child stands in a field. The background is a soft, hazy landscape with trees and a distant building. The title 'TRANSLATING LIVES' is printed in large, bold, red capital letters. Below it, the subtitle 'Living with Two Languages and Cultures' is in a smaller, black font. At the top, the editors' names are listed. At the bottom, a quote from Arnold Zable is included. The UQP logo is in the bottom left corner.

Unlearning Languages that Control the Mind Vladan Sutanovac, 2025-10-14 The edited collection Unlearning Languages That Control the Mind ULCM is to be read as a continuous multi voiced work on what takes place when we forget that unlearning is a part of our existence as much as learning As the world as we know it finds itself at a critical juncture yet again how we talk about the continuously amassing genocidal invasions and authoritarian occupations of our minds thoughts bodies and environments will affect how we experience process and counter them on a day to day basis Based on this ULCM offers its readers a singular interdisciplinary blueprint of the inner and outer workings of motivated language use when in service of mind engineering and engineered acting As such it is a valuable enabling resource for anyone looking to identify and unlearn the languages that mask belief traps and cognitive distortions set up by various antisocial actors to keep our day to day cognition and acting confined to society as engineered laboratory With its interdisciplinary breadth and engaging multimodal content this handbook breaks new grounds in actionable application of science as accessible community enabling tool for seeing through the dismantling belief traps and mental distortions that turn language use into mindbody abuse

Understanding Politeness Dániel Z. Kádár, Michael Haugh, 2013-08-29 Politeness is key to all of our relationships and plays a fundamental part in the way we communicate with each other and the way we define ourselves It is not limited only to conventional aspects of linguistic etiquette but encompasses all types of interpersonal behaviour through which we explore and maintain our relationships This groundbreaking exploration navigates the reader through this fascinating area and introduces them to a variety of new insights The book is divided into three parts and is based on an innovative framework which relies on the concepts of social practice time and space In this multidisciplinary approach the authors capture a range of user and observer understandings and provide a variety of examples from different languages and cultures With its reader friendly style carefully constructed exercises and useful glossary Understanding Politeness will be welcomed by both researchers and postgraduate students working on politeness pragmatics and sociolinguistics more broadly

Language of the Heart Eva Desiree van den Berg, 2013-02-27 This book seeks to examine how Sufi thought might provide critical understanding of contemporary life and a pathway towards the recovery of a more meaningful existence Rumi's mystical teachings are of great value at a time of rampant materialism and indiscriminate consumerism and have the potential to illuminate the precarious state of the world as well as revitalize contemporary social critique eco philosophy and bio semiotics in what is increasingly

being regarded as a post secular age *Cultural Semantics and Social Cognition* Carsten Levisen, 2012-12-06 Presenting original detailed studies of keywords of Danish this book breaks new ground for the study of language and cultural values Based on evidence from the semantic categories of everyday language such as the Danish concept of hygge roughly meaning pleasant togetherness the book provides an integrative socio cognitive framework for studying and understanding language particular universes It is argued that the worlds we live in are not linguistically and conceptually neutral but rather that speakers who live by Danish concepts are likely to pay attention to their world in ways suggested by central Danish keywords and lexical grids By means of a sophisticated semantic methodology the author accounts for the meanings of even highly culture specific and untranslatable linguistic concepts The book offers new tools for comparative research into the diversity of semantic and cultural systems in contemporary Europe Additionally it contributes to the emerging discipline of cultural semantics and to the ongoing debates of linguistic diversity metalanguage and the use of linguistic evidence in studies of culture and social cognition
