Transnational and Immigrant Entrepreneurship in a Globalized World Barbara Anne Carmichael, Israel Drori, Benson Honig, 2010-01-01 Transnational and Immigrant Entrepreneurship in a Globalized World brings together leading international scholars from a cross disciplinary basis to examine the economic social regulatory technological and theoretical issues related to the impact of transnational entrepreneurs on business and economic development *Academy of Management Annual Meeting* Academy of Management, 2010 **From Immigrant To Transnational Diaspora**

Entrepreneur: The Roles Of Enclaves In Their Entrepreneurial Journey Osa-godwin Osaghae, Thomas M Cooney, 2024-03-14 This book focuses on the role of immigrants in building economic social and political relationships between countries In this era of growing global interconnectedness international migration and immigrant issues have become a significant source of disunity between countries In some receiving countries immigrants are now workforce replacements for an ageing population while in sending countries immigrants use the experience gained in their country of residence for investment and entrepreneurial activity in their country of origin This has led to the suggestion that immigrant activities are no longer a process of bridging the economic imbalance between nations but rather the bridging of economic social and political relationships Transnational diaspora entrepreneurial activity relies on the relationship between immigrants and their home country their understanding of the economic political and social systems in both their home and host countries and the demand for their home country s cultural goods As the demand for home cultural goods grows there is a need to establish businesses that can operate across multiple environments This book posits that transnational diaspora entrepreneurship can be seen as the internationalization process of immigrant entrepreneurship It explains the role of enclaves in supporting this activity and offers valuable insights into how immigrant enclave activity and informal networking influence transnational diaspora entrepreneurship Diasporas and Transnational Entrepreneurship in Global Contexts Ojo, Sanya, 2016-12-28 The advancement and progression of migrant businesses has increased significantly in the globalized modern society As such current research has emerged regarding the characteristics of transnational economic activities Diasporas and Transnational Entrepreneurship in Global Contexts is an essential reference publication for the latest material on the nature process and outcome of migrant entrepreneurs economic activities expanding from their countries of origin to their countries of residence Featuring coverage on a broad range of topics such as regional growth industrial development and employment generation this book is ideally designed for researchers advanced level students practitioners managers and policy makers seeking current research on how economic development can be encouraged and nurtured among ethnic entrepreneurs and businesses Immigrant Entrepreneurship in Cities , 2021 This book draws on evidence from global cities around the world and explores various dimensions of immigrant entrepreneurship and urban development It provides a substantive contribution to the existing literature in several ways First of all it pursues a comparative approach with case

studies from both the global north and global south so as to broaden the theoretical framework in this area especially as pertinent to emerging economies Second it covers multiple scales from local community place making to urban contexts of reception to transnational networks and connections Third it combines approaches and research methods from numerous disciplines investigating entry dynamics trends and patterns business performance challenges and the impact of immigrant entrepreneurship in urban areas Finally it pays particular attention to current international experiences regarding urban policies on immigrant entrepreneurship Given its scope the book will be an enlightening read for anyone interested in immigration entrepreneurship and urban development issues around the globe As global cities around the world continue to attract both domestic migrants and international migrants to their bustling metropolises immigrant entrepreneurship is emerging as an important urban phenomenon that calls for careful examination From Chinatown in New York to Silicon Valley in San Francisco to Little Africa in Guangzhou immigrant owned businesses are not only changing the business landscape in their host communities but also transforming the spatial economic social and cultural dynamics of cities and regions

Native and Immigrant Entrepreneurship Simone Guercini,Gabi Dei Ottati,Loretta Baldassar,Graeme Johanson,2017-01-31 This book adopts a multidisciplinary approach to the issue of local liabilities drawing on close analysis of the case of Chinese migrants and the Italian industrial district of Prato in order to elucidate the problems or liabilities that derive from the separation between

natives and immigrants in local systems of people and firms Insights are offered from a variety of disciplines including business and industrial economics anthropology and sociology thereby providing a framework through which to view the problems and also identifying potential pathways for their evolution and resolution The focus on local liabilities affords an original perspective on the nature of globalization and highlights salient aspects of native and immigrant entrepreneurship Globalization not only creates bridges between distant places but also changes the face of businesses and socioeconomic systems at the local level where local liabilities may emerge when two or more separate communities of persons and firms exist The greater the separation between the communities the greater the local liabilities In offering diverse perspectives on this relatively neglected aspect of globalization the book will be of interest to a wide readership
