Trash An Innocent Girl A Shocking Story Of Squalor And Neglect:

Trash Britney Fuller, 2014-10-09 To start it was just me and my mom I am an only child and she is a single parent My mother is a trash hoarder Ever since I can remember the house was always messy and stunk At around age 9ish I noticed that something was wrong I started throwing bags of trash away every day just to have my mom freak out when she got home We didn't eat at home anymore because the fridge was disgusting and she used the sink as a trash can so it got clogged We always ate out we never had a home cooked meal and I've never had a family dinner at a dinner table I had a stool in the corner of the living room That is what I sat on and that alone I kept that corner as clean as I could Made sure there was foot space and that there wasn't dust on the walls That was my corner my space It never seemed to matter though eventually that spot would get overrun with trash too Trash is Britney Fuller's shocking account of growing up in the house of a hoarder
