Travel Junkie Jack Harms, 2011-08 This is not a travel guide nor is it a typical travel book This is a story about a man who overcame personal tragedies to achieve his lifetime ambition to explore the world You won't find stories of a man who climbed mountains or sailed the seas Instead you'll hear about one man's journey who visited over 100 well known foreign countries and cities swam with the

sharks in Bora Bora Tahiti and in Grand Cayman explored the underwater world of the Australian Great Barrier Reef walked the Great Wall of China and went on photo safaris in the African wild game parks When he began his traveling adventures the last thing on his mind was writing a book As he progressed through his trips he would entertain his relatives friends and clients with the stories and photos of his more important memories Invariably they would say you ought to write a book And so he did and here it is The book should assist the beginning traveler in deciding where to go how to go and how long to stay and last but not least how to stay safe in a sometimes dangerous world Traveling can be and often is very rewarding But it can also be frustrating expensive and dangerous When traveling to a foreign country it is best to expect the unexpected as your experience will be unlike anything you ve experienced before The Travel Junkie also reveals the true character of Jack Harms and his personal life Including his hitchhiking days his attraction to famous entertainers live performances his traumatic experiences being on his own at the age of fourteen in Jackson Hole Wyoming and the deaths of his mother and only two brothers at very young ages
