"Why Me? Why Not Me" Captain Bob's Journey to Heaven Through Surrender. Robert R. Schulte, 2012-10-01 Why me God Why not me I noticed a swelling on my lower left leg on the calf muscle in late December 2009 There was no pain at all so I dismissed it as a swelling from a hard fall I had taken in my basement about a month earlier I showed it to Cindy who wanted me to go to the doctor s but if you haven t noticed I am thick headed and wanted to see if it would just go away it didn t The doctor s visit and subsequent MRI in February began the process of identifying just what this thing was Treatment could only begin after a positive ID At this point I was not overly concerned I still believed it to be a hematoma from the fall It turned out to be much much more This is the first entry into a 2 year CaringBridge journal for my husband Bob who was 63 at the time and a very virile and active man The hematoma turned out to be a rare and aggressive cancer that would take his life just 2 years later The journal documents the tremendous faith and strength that he received from Christ every step of the way The journal will carry you through the innermost thoughts of a man who knows that there is a possibility that he will not live through this but turns to God and sees the joy of life in adversity I rode the journey with him for 2 years and realized that through Jesus Bob was able to not only live well but also to die well His journal will put you front and center on his beautiful journey something he called an e ticket ride with Christ We were all blessed to be a part of his journey and I hope that after reading this you will feel blessed too He took my fear and turned it into wonder The mysteries of the ages will be mine soon Are you jealous Open our eyes to the reality of the moments we live in **A Long Way to Go** Nancy Dane, 2010-08 As the Union Army pushes deep into Arkansas newly wed Elijah and Cindy Loring embark on separate journeys that drive them far apart and into a land of violence and terror This tale of soldier and civilian brings to life an unforgettable story of passion loss and survival A Long Way to Go reads as true as an authentic diary **Spirit Travel & The Mysterious Secret Garden** Peter Cacciolfi, Pattimari Cacciolfi, 2018-08-28 Peter one of Peter s Mysterious Secret Garden and Pattimari s Spirit Travel Each book has twists and turns and are thrilling stories **The Prickle Sisters** Marc de Bel, 2024-03-27 The Prickle Sisters are back Fans of all ages can for the first time in English read the adventure of the Haunted Mill as well as a brand new story that takes place at FACTS the Belgian Comic Con Little girls grow up This doesn t just apply to the young and perhaps already slightly older fans but also to the little Prickles themselves Or is it best to say the Prickle sisters from now on for our own safety After their adventure in the Haunted Mill included in full in this book the infamous family moves to the city and the sisters attend secondary school Cool because then they can torment not just one but several teachers there Besides there s a lot of fun stuff happening in the city Like FACTS for instance the Belgian Comic Con where this time none other than teen idol and super popular comic and film hero Spicky Spike is coming to sign autographs Unfortunately tickets for this delightful event sold out in an instant But then help suddenly arrives from an unexpected quarter The PRICKLES are back and with a vengeance **Second Chance** Jeff Millar, Bill Hinds, **The Time Traveling Scoreboard** Robert P. Chappell,

Jr.,2025-10-28 In the second installment of The Adventures of Ace Preston series Ace Preston recently retired after working almost four decades in law enforcement and twenty five years in the U S Army Reserve Adventure and excitement await Ace as he makes plans to check off long sought after items from his retirement bucket list First up is a tour of a major league baseball park Ace s first destination is Wrigley Field in Chicago Decked out in his best red white and blue jersey and ball cap Ace tours the stadium and to his surprise finds an old metal numbered piece of the manual scoreboard lodged in the ivy covered wall Returning the found number to the scoreboard keeper lands Ace inside an iconic scoreboard with time traveling capabilities Amazed and intrigued Ace gets a chance to observe historical baseball games and sporting events of the past Ace learns that the windows of observation also allow him to exit and participate in the time travel events he witnesses Join Ace Preston in The Time Traveling Scoreboard on his exciting journey filled with adventure and mystery dating back to the first game ever played on the field in the early 1900s through 2025 *Women Business Enterprises* United States. Lennox Legacy DE Rivett,CW Ward,LM Belkin,JAM Ramshaw,JFK Wilshire,1996-01-01 The Lennox Legacy The history of the CSIRO Laboratory at 343 Royal Parade Parkville records many of the events and incidents associated with the genesis and development of the Division of Protein Chemistry over a period of more than fifty years This book has been titled in honour of Dr Francis Gordon Lennox the Laboratory s founder and a man who believed that science has an important part to play in bettering the well being of all Australians His vision over the years of the critical importance of protein chemistry to Australian science and industry was central to the Laboratory s national and international achievements The book has been

written three parts Part 1 attempts to trace the historical record of appointments and changes in research direction that have occurred in the laboratory from 1940 to the present day Part 2 presents a more detailed description of the major scientific activities that have been carried out in the Laboratory It reveals how fundamental studies went hand in hand with applied research and thereby contributed greatly to the understanding of practical problems and their possible solution Part 3 provides a complete list of Patents and Publications arranged in decades for easy perusal As former chief Gordon Crewther states in his foreword Of necessity the story is incomplete but because it records the stresses exhilarations frustrations rewards good fellowship team spirit irritations and humourous interludes arising from the research objectives of the Division and their accomplishment there is something of interest for all present and past members of staff of CSIRO The less technical sections the occasional insights into behind the scenes activities the glimpses of individual personalities and the occasional reflections on science management provides worthwhile reading for a more general audience
