Return to Travers Corners Scott Waldie, 2014-11-18 Travers Corners if visited by a dedicated urbanite would be seen as nothing more than a windblown gas station of a town that would make the middle of nowhere look like Metropolis It s a town of 329 beloved residents from Dolores who runs the beauty parlor to Junior McCracken the worst fisherman to never give up the sport to Judson C Clark boatbuilder and Carrie Creek s occasional guide But Travers Corners is more than just a gas station of a town It s a destination for fly fishing a paradise made of the finest trout waters ever seen with rivers and creeks sweeping past cattle ranches tall grasses and off into the timbered mountains In Scott Waldie s Return to Travers Corners are stories of small town friendships and fights of famous fishermen and unlucky anglers of trout so big they re practically mythical and of the ones that got away in love and on the water The tales of Travers Corners hearken to a simpler more enticing world of wild places good deeds and the friends made along the way Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
