Reeve, 2015-02-08 She said it with an assurance that made me wonder It was only then that I recollected that it had been one of the excuses for printing her picture in the society columns of the Star so often that the pretty daughter of the president of the Continental was being ardently wooed by two of the company's younger officials Granville Barnes himself was one The other was Rodman Lane the young general manager I wished now that I had paid more attention to the society news Perhaps I should have been in a better position to judge which of them it was whom she really had chosen As it was two questions presented themselves to me Was it Barnes And had Barnes really been the victim of an attack or of an accident

The Treasure Train, Detective Craig Kennedy (Large Print) Arthur B. Reeve, 2015-02-05 I am not by nature a spy Professor Kennedy but well sometimes one is forced into something like that Maude Euston who had sought out Craig in his laboratory was a striking girl not merely because she was pretty or because her gown was modish Perhaps it was her sincerity and artlessness that made her attractive She was the daughter of Barry Euston president of the Continental Express Company and one could readily see why aside from the position her father held she should be among the most sought after young women in the city Miss Euston looked straight into Kennedy's eyes as she added without waiting for him to ask a question Yesterday I heard something that has made me think a great deal You know we live at the St Germaine when we are in town I've noticed for several months past that the lobbies are full of strange foreign looking people Well yesterday afternoon I was sitting alone in the tea room of the hotel waiting for some friends On the other side of a huge palm I heard a couple whispering I have seen the woman about the hotel often though I know that she doesn't live there The man I don't remember ever having seen before They mentioned the name of Granville Barnes treasurer of father's company Is that so cut in Kennedy quickly I read the story about him in the papers this morning As for myself I was instantly alive with interest too Granville Barnes had been suddenly stricken while riding in his car in the country and the report had it that he was hovering between life and death in the General Hospital The chauffeur had been stricken too by the same incomprehensible malady though apparently not so badly **The Treasure Train** Arthur Benjamin Reeve, 1919 [The Treasure Train](#) Arthur Benjamin Reeve, 1917
