Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside With the Zionists in Gallipoli Look inside the book Had they been backed up at the time of the first landing on April 25th 1915 by the incomparable 29th Division one of the best the British Army has ever seen together with the two French Divisions with their hundred celebrated 75 guns and the Royal Naval Division no Turkish troops at that time in the neighbourhood could for a moment have stood up against them and with our grip once established on the Peninsula nothing could have shaken us off not all the soldiers in the Ottoman Empire Never since the days of Judas Maccab us had such sights and sounds been seen and heard in a military camp indeed had that redoubtable General paid us a surprise visit he might have imagined himself with his own legions because here he would have found a great camp with the tents of the Children of Israel pitched round about he would have heard the Hebrew tongue spoken on all sides and seen a little host of the Sons of Judah drilling to the same words of command that he himself used to those gallant soldiers who so nobly fought against Rome under his banner he would even have heard the plaintive soul stirring music of the Maccab an hymn chanted by the men as they marched through the camp

With the Zionists in Gallipoli John Patterson, 2017-03 A Zionist without a copy of this first classic of a militant Jewish renaissance is like a Greek without his Homer There cannot be the slightest doubt that in the traditions of the Orient from the Mediterranean littoral to Tashkent and Samarkand wherever Jews and Moslems live and thrive on their own soil the story of the author and his Jewish paladins will be linked with those of Suleiman Malek Iskander and of the Colonel s countryman of the Lion Heart The exploits of Gallipoli as told in this fascinating volume will be sung at the shores of the Dead Sea and in the hills of Moab long after the present generation of Zionists will be gathered with their fathers Col Patterson tells us that his narrative of the Zionists of Gallipoli has been written during the enforced idleness of a month of illness Our gallant Colonel considered as a narrator seems to have gone to school in Cairo with those improvisatori of the Arabian Nights Entertainments who enfold tale within tale ad infinitum For all that no good humored reader will feel like quarreling with the Colonel because his book reminds one of an autobiographical magazine series rather than of military reports If the latter are more apt to be terse and to the point books written in the style of the former are likely to be more readable and if the personality of the author is spread all over the book overshadowing in spots the fate of the regiment under his care the reader will be glad to get acquainted with an attractive personality His chief lineaments as seen in his self portrayal are those of Sergeant George in Bleakhouse of a brave obstinate truth telling generous Briton personal alliance with the fortunes of militant Judea the earnest of a national alliance to come The Maccab an A Magazine of Jewish Life and Letters As an expression of admiration for the Jew as soldier and as man and of strong sympathy with Jewish ideals one cannot speak too highly in its favor The book is a worthy record of the gallantry and resourcefulness of the officers and men of the Zion Mule Corps but it is none the less a monument to the kindness and sympathy of the corps non Jewish commanding officer the author The American Jewish Chronicle It is the story of the famous Zion mule corps and its service in Gallipoli This corps was

the first Jewish military unit formed in 2 000 years and was composed of Russian born refugees from Palestine Colonel Patterson commanded the corps and writes this account of the campaign as he saw it its policy and the operations of war in execution of that policy Book Review Digest There is electricity in each page and fearless criticism provokes as much thought as the intrepid courage Veteran soldiers have a right to be critics of military affairs and when Colonel Patterson finds fault with any person or with anything his phrases bite They cannot be forgotten And the motive power behind them is the conviction that criticism cannot be too direct because the lives of thousands are imperiled daily in the firing lines Saturday Review

PATTERSON, 2018 *With the Zionists in Gallipoli* John Hastings Patterson, 1916 *With the Zionists in Gallipoli* John Henry Patterson, 1917 *With the Zionists in Gallipoli* J. H. Patterson, J H Patterson D S O, 2016-03-27 In February 1915 a small committee in Alexandria approved a plan of Ze'ev Jabotinsky and Joseph Trumpeldor to form a military unit from Russian Jewish emigres from Palestine that would participate in the British effort to liberate Palestine from the Ottoman Empire The British commander General Maxwell met a delegation led by Jabotinsky on 15 March The General said he was unable under the Army Act to enlist foreign nationals as fighting troops but that he could form them into a volunteer transport Mule Corps Jabotinsky rejected the idea and left for Europe to seek other support for a Jewish unit but Trumpeldor accepted it and began recruiting volunteers from among the Jews in Egypt who had been deported there by the Ottomans in the previous year The British Army formed 650 of them into the Zion Mule Corps of which 562 served in the Gallipoli Campaign The need on the Gallipoli peninsula for means to carry water to the troops was considered so urgent that in mid

April a request was forwarded to Egypt for the Zion Mule Corps to be sent immediately regardless of its lack of equipment Its Commanding Officer was Lieutenant Colonel John Henry Patterson DSO an Irish Protestant and Captain Trumpeldor was Second in command Jabotinsky served as an officer The Zion Mule Corps landed at Cape Helles from 27 28 April four weeks after being raised having been stranded at Mudros when its ship ran aground The corps was embarked in the same ship as the Indian 9th Mule Corps bound for Gaba Tepe and so a detour to Helles was ordered The Zion Mule Corps was disembarked under artillery fire from the Asiatic shore with help of volunteers from the 9th Mule Corps and began carrying supplies forward immediately

Gallipoli John Masefield,2011 Poet Laureate John Masefield s masterly description of the Gallipoli campaign was one of the first to tell of the events that made ANZAC soldiers famous all over the world Easy to read and understand the book places the reader squarely in the trenches and in the minds of the military strategists When World War I began poet John Masefield had joined the staff of a British hospital for French soldiers serving briefly in 1915 as a hospital orderly and later publishing his own account of his experiences As he was old enough to be exempted from military service Masefield then visited the United States on a three month lecture tour to collect information on the mood and views of Americans about the war in Europe When he returned to England he submitted a report to the British Foreign Office about

the failure of the allied forces in the Dardanelles As a result of that report Masfield wrote Gallipoli This book was an outstanding success encouraging the British people and lifting them somewhat from the disappointment they had felt as a result of the Allied losses in the Dardanelles Published when the terror of Gallipoli was fresh in people s minds John Masfield described what the common soldier had endured in that dreadful campaign His book was written a few months after the Allied withdrawal and is a classic With the Zionists in Gallipoli, by Lieut.
