Without Backward Glance Kate Veitch

Kate Veitch

Without Backward Glance Kate Veitch:

Without a Backward Glance Kate Veitch, 2008-06-24 A deeply felt first novel of family choices and coming to terms with the past On a stifling Christmas Eve in 1967 the lives of the McDonald children Deborah Robert James and Meredith changed forever Their mother Rosemarie told them she was running out to buy some lights for the tree She never came back The children were left with their father and a gnawing question why had their mother abandoned them Over the years the four siblings have become practiced in concealing their pain remaining close into adulthood and forming their own families But long closed wounds are reopened when a chance encounter brings James face to face with Rosemarie after nearly forty years Secrets that each sibling has locked away come to light as they struggle to come to terms with their mother's reappearance while at the same time their beloved father is progressing into dementia Veitch's family portrait reveals the joys and sorrows the complexity and ambiguity of family life and poignantly probes what it means to love and what it means to leave

Without a Backward Glance Kate Veitch, 2008-06-24 A deeply felt first novel of family choices and coming to terms with the past On a stifling Christmas Eve in 1967 the lives of the McDonald children Deborah Robert James and Meredith changed forever Their mother Rosemarie told them she was running out to buy some lights for the tree She never came back The children were left with their father and a gnawing question why had their mother abandoned them Over the years the four siblings have become practiced in concealing their pain remaining close into adulthood and forming their own families But long closed wounds are reopened when a chance encounter brings James face to face with Rosemarie after nearly forty years Secrets that each sibling has locked away come to light as they struggle to come to terms with their mother's reappearance while at the same time their beloved father is progressing into dementia Veitch's family portrait reveals the joys and sorrows the complexity and ambiguity of family life and poignantly probes what it means to love and what it means to leave **Trust**

Kate Veitch, 2010-06-29 The author of *Without a Backward Glance* asks What does it take to be a good woman and what does it take from you Susanna Greenfield has given her all to being a good daughter sister wife and mother Somehow she's maintained her profession as a college art teacher as well as rearing two headstrong teenagers and nurturing a twenty year marriage to Gerry a confident ambitious architect She's also the eternal peacemaker between her pretty younger sister Angie former junkie turned born again Christian and their strong willed mother Jean Just when Susanna is struggling to revive her creative career a devastating accident rips apart the fabric of her world exposing secrets which threaten to destroy both a marriage and a life Plumbing the rich emotional vocabulary of faith and betrayal loyalty and forgiveness *Trust* is the story of a woman's challenge to find her self [The Publishers Weekly](#) ,2008 [New York](#) ,2008 [Library Journal](#) ,2009

Listen Kate Veitch, 2006 Rosemarie leaned her weight on the big kitchen knife with blind efficiency No one wanted to know the real secrets not the really big ones And she thought emphatically I don't want anyone to know mine On Christmas Eve in 1967 a London woman unhappily transplanted to the Australian suburbs makes a decision that will change forever the

lives of her four young children Forty years on those children are adept at concealing their shared pain Deborah has a demanding political career James is a successful artist Robert a respected school principal Only Meredith the baby of the family seems struck But as their father begins to lose his grip on reality they find themselves floundering in an unfamiliar sea And their past is about to reach into the present in ways that will shock and challenge them all A spellbinding contemporary novel Listendraws us deep into the intensely private world of family life and brilliantly illuminates the joys sorrows and sustaining comfort that we find there

Decoding **Without Backward Glance Kate Veitch**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Without Backward Glance Kate Veitch**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
